- Allows for sessions & homework to mold to your household
- Encourages family participation & improves follow through

Get Your Time Back

- We Come To You
- Eliminate the stress of packing a “to-go” bag
- Don’t worry about pre-cooling or pre-heating the car
- No wear & tear on your car
- No travel time = more time for you

Fun Equipment and Games Provided

- The doctor will bring in all equipment needed to ensure a successful session
- New games & activities require problem-solving and thus improve learning and participation
- Cost effective solutions

Get Expert Answers, In Real Time

- Stop wondering if or when you’ll hear back from the doctor; same day responses to put your mind at ease
- Avoid finding inaccurate, generic answers by searching online or in parent groups that can lead to spiraling
- Direct communication with a doctor, not an assistant
- Continuous care with the same doctor, saving you time with re-explaining your concerns
