

THE *P*ARTNERSHIP
COLLECTION

THE MEMBERS' CLUB WITH A DIFFERENCE

WELCOME TO THE PARTNERSHIP COLLECTION...

We are an exclusive club where you can experience incredible high-end events in the company of like-minded people, with every detail taken care of.

WHAT IS THE CLUB?

Established for 8 years, we are a club unhampered by the geographical constraints of a bricks-and-mortar venue, allowing you to enjoy amazing private tours; Michelin-starred dining and luxury hospitality at some of the UK's top events either on your own or as a couple. In essence, it's your social life, organised for you.

HOW DOES IT WORK?

One all-inclusive annual membership per household (with attractive payment options) of either 12 Socialite or 18 Entertainer credits. You choose your events from our jam-packed, ever-changing calendar and our small, personal team make all the arrangements for you. Use your credits to invite friends and family to join you on special days – your membership and credits are completely flexible.

WHO IS IN THE CLUB?

Our members are young and old, couples or singles, professionals or retired. They are a friendly, down-to-earth bunch who work hard but play harder. The main thing they have in common is a desire for some top-class fun!

WHEN AND WHERE ARE THE EVENTS?

A flick through our calendar shows that we hold at least two money-can't-buy events a month all over the UK - so wherever you live, you can enjoy membership. Spread your events throughout the year, or splurge on a couple of higher credit experiences. One thing is always guaranteed – a truly luxury experience with no hidden costs.

This explains who we are and what we do. What we cannot put into words is the friendships you will make; the special experiences you will have and the memories you will treasure forever...

THE MEMBERSHIP

We have created two membership levels which lets you choose exactly how many events you will want to attend (you can always top them up if you feel you're missing out!). But each membership type gives you the same level of access to all the other amazing member benefits we have on offer.

The Socialite

A generous 12 credits give you plenty of experiences to enjoy as a couple.

The Entertainer

Indulge yourself and entertain guests with 18 credits per year.

HOW DO THE CREDITS WORK?

Our credit system has allowed us to unlock even more luxurious experiences than before. You can choose to use all your credits on two or three amazing 3-credit events a year or spread them out with a mixture – it's entirely up to you.

Example of a 1-credit event - Private dining at a Michelin star restaurant

Example of a 2-credit event - A day on a private yacht to the Isle of Wight

Example of a 3-credit event - Weekend in Paris inc. hotel and evening at Moulin Rouge

Along with the events that you pick from your membership allocation, we also invite you to 'thank you events' throughout the year. These are partner events with themes such as supercars, wine lunches and fashion shows. These are complimentary and just our way of enhancing your membership.
