

Can you help me find a rental property?

Yes, we will help you with your rental request. Go to join our exclusive buyer network and fill out your requirements so we can get you the right property for your needs. Eg. of needed information.

1. **Location** – Which city or area in Florida (or elsewhere) are you looking to rent in?
 2. **Type of Property** – Are you interested in a **single-family home, townhouse, condo, or multi-family** unit?
 3. **Budget** – What's your monthly rental budget range?
 4. **Purpose** – Is this for **personal living** or as an **investment rental property** (e.g., buy-and-hold for tenants)?
 5. **Timeline** – When are you hoping to move in or secure the property?

Two Ways I Can Help

- **Personal Use Rental** → I can pull the latest rental listings in your target area (price, size, amenities, etc.) and even help draft messages to landlords or property managers.
- **Investment Rental Property** → Since you're also building CAMWU Realty, I can find **cash-flowing rentals** or **zombie properties with rental potential**, run quick **cash flow / ROI** estimates, and help you compare deals.
