

Do You Provide Assistance with Financing?

Yes! At **CAMWU REALTY**, we know that access to the right financing can make or break a deal—so we've built resources to help.

Investor-Friendly Lender Network

We connect you with **hard money lenders, private capital sources, and creative financing partners** who understand real estate investment and can move quickly.

Fast Pre-Approvals

Our partners specialize in **streamlined approvals** designed for cash buyers, flippers, and rental investors—helping you close deals faster and stay competitive.

Flexible Options

Whether you need **short-term rehab funding, buy-and-hold financing, or gap funding**, we'll point you to solutions that fit your strategy.

Guidance Along the Way

Even if you're new to investment financing, our team will **walk you through your options, explain the terms clearly, and help you choose what works best** for your goals.

 While we're not a bank ourselves, **CAMWU REALTY makes sure you're never left scrambling for funding.** We connect you with the right private lenders so you can confidently secure the capital you need to close.
