The Winston-Salem Sportsmen Club, Inc. would like to offer very special thanks to all of the Hall of Fame Alumni who yearly become a member of the Century Club by donating \$100 to the Challenge Grant. The 2024 donors are listed below, the next page shows Hall of Fame Alumni who have donated in previous years, the asterisk beside their names designate how many years they have contributed to the Challenge Grant. Money from this grant is used to pay for two students from each high school to attend this banquet and to off set the price of meals for the Hall of Fame Banquet.

THANK YOU for helping to make sure that new inductees can be added to the Winston-Salem Forsyth County High School Sports Hall of Fame each year.
