**TATTOO  
CONTEST**

# TATTOO CONTEST

The conventional TATTOO CONTEST will also take place at the ICONS & PRODIGIES, rewarding the best tattoos created during the three-day event.

A jury of experts will evaluate the works based on predetermined criteria, considering the technical and artistic parameters of the type and style of each tattoo, achieving an objective score regardless of stylistic diversity or size.

### Eligible Tattoos:

Only tattoos entirely completed within the same day are eligible for the **BEST OF DAY** contest. They must be started from scratch and fully finished on the day of participation.

Previously started tattoos that are only completed at the convention will not be accepted. ▶

Tattoos started on Friday and only completed on Saturday will not be accepted in the "BEST OF DAY" contest for Saturday. Instead, they may participate in the **BEST OF SHOW** contest on Sunday.

### Evaluation Criteria:

Tattoos of any size and style are accepted. The evaluation will be based on technical and artistic criteria, including:

- Technical execution
- Creativity
- Quality of artistic execution
- Adherence to the specific characteristics of the style
- Longevity factors (contrast, readability, details, etc.)

The aim is to ensure an **objective evaluation** based on predetermined criteria, avoiding influence from factors such as size or initial visual impact.
