

We hope you will enjoy this collection of sermons that captures the essence of the type of fervent, biblical preaching that has become synonymous with Heartland Baptist Bible College. Most of these sermons were preached from the pulpit during a chapel service or special meeting held at HBBC. There are several others that were preached at Southwest Baptist Church or other meetings that also belonged in this collection and are included in this list. We pray this collection will be a source of encouragement and challenge as we look to the future and strive to “Keep the Plow in the Ground.”
