## **NEHEMIAH 6:15 SO THE WALL WAS FINISHED IN... FIFTY AND TWO DAYS.**

Fifty-two days is how long it took the Israelites to rebuild the wall. This is an astonishing feat of cooperation found in the Bible. Many times we speed through that aspect of the book of Nehemiah. We do focus on how Nehemiah did not let outside discouragement stop him, which is true. Another area we do not hear often is how the Israelites, as a whole, worked together in unity, even when being verbally attacked and threatened. Unity is a word that we are focusing on as a school this year. If we can not allow outside noise or strife from the inside to affect us, then there is much we can do for Christ. As we continue this school year, don't forget that unity with God is an important component in our daily Christian walk.

K4-4th field trip is this Friday (4th) and 5th-12th is next Friday (11th). We are excited to have our students see some great things about Israel during the Bible times. After that we will go to a park to eat lunch and have a relaxing fun time. The 5th-12th field trip will go to a park to play disc golf. I am looking forward to seeing the memories made during these two trips. If you can make either one, please contact the myself or your teacher so we can plan on your attendance. There is no charge for extra people.
