NEHEMIAH 6:15 SO THE WALL WAS FINISHED IN... FIFTY AND TWO DAYS

According to Webster's Dictionary, unity means agreement or uniformity. It also gives examples of unity of doctrine and unity of worship in a church. These are great ways to dwell on how we can apply what happened in Jerusalem during Nehemiah's time. Going our separate ways keeps us from being in unity.

Recently, I taught a Sunday School lesson and used our theme verse about unity. The Israelites did not pay attention to the outside distractions but instead focused on encouragement from Nehemiah. We also, as believers, should focus on the encouragement that we can give to one another, and not the noise around us. Doing this will help us stay unified in following Christ.

Our combined field trip on April 11th will be to Turner Falls. I am looking forward to seeing God's creation and all that He has done for us. More information for this is included in this Spotlight.
