Remember the following when you are coming to see flowers

- Other than Namaqualand's 5 regions (Knersvlakte, Hardeveld, Namakwalandse Klipkoppe, Richtersveld & Coastal plains) there are other regions that annually displays some of the best flowers like the West Coast, Olifantsriver Valley, Swartland, Bokkeveld, Cederberg and Biedouw Valley. The flower region is widespread - so be prepared to travel many kilometres.
- Each region differs; you will not see all the regions' flowers blooming at its best at the same time. From the beginning of August to the middle of September there will be areas with beautiful flowers, and we always make sure we know where to find them.
- Flower season **IS** our rainy season. When it rains you cannot see flowers that is why we stay at one place to comply with the weather.
- Namaqualand and the surrounding regions don't all consist of fields of flowers - there are more than 3 500 different flower species. The journey is so much more fascinating when you find out more about the different flower types and species.

Why travel with Namaqua tours?

The extra mile we walk

- Tour members who prefer to stay over in Cape Town prior to the tour or after can be accommodated.
- We also assist with flights, hotel, and transport arrangements. We can assist in booking flights at a cost of R200 pp for doing the flights and pay the flights. This can only be done after the deposit of R3 000 pp has been paid. After the flights are booked the amount and the costs can be paid directly into our bank account. If you would like to book flights yourself, first contact the office to make sure of the tour times. Please book return flights on the day the tour ends **after 18:00**. Namakwa Tours accepts no responsibility if you have booked the return flight before 18:00, and you miss your flight. Please contact us for more information.

We have people throughout the flower regions looking out for flowers and we are always informed about where the best flowers are. We build and maintain good relations with farmers in and around Namaqualand, and we have access to farms and roads in Namaqualand that the public are not allowed to travel on.

www.facebook.com/namakwatoere

Our Facebook page speaks for itself. It proves that we show flowers to our tour members and not only drive through the regions. Visit the above-mentioned address to see what our tour members experience every year. After each tour, the photos of that tour will be uploaded to Facebook. It is just another free service we offer. Tourists come to see flowers - our tour members certainly see flowers! Check out our reviews and recommendations on Facebook.

4 DAY FLOWER TOUR: DAY 1 -

We depart from Cape Town and travel through the Bloubergstrand area, past Melkbosstrand, Atlantis, Mamre and Darling, we will also see Saldanha Bay, South Africa's biggest, deepest, and safest harbour. Here we make a short trip to the Triplet-Towns of Veldrift, Port Owen and Laaiplek. These small West Coast towns are known as the bokkom - capital of the world, situated at the estuary of the Berg River. We continue our route through Dwarskersbos towards the Rocherspan and past Verlorenvlei with its rich diversity bird species before reaching Eland's Bay. Here we push through the Sandveld and its historic towns Leipoldtville and Graafwater. Finally, we reach Clanwilliam from there it's a short trip to Vanrhynsdorp, our final destination for the day; Namaqua Lodge in Vanrhynsdorp will be our home from home for the remainder of the tour.

4 DAY FLOWER TOUR: DAY 2 -

Today is most certainly the highlight of the tour. We start the day early with a trip to the Knersvlakte. Even though it might look like nothing grows along the plains, on closer inspection we see a magnificent diversity of dwarf succulents. These tiny plants grow between the white quartz stones and are small enough to miss if you drive by yet extraordinary if you stop to look. Next, we move into the Hardeveld with its signature towns Nuwerus and Bitterfontein. After we bid farewell to the Hardeveld we move to the Namaqualand Klipkoppe. This beautiful mountainous region stretches from Garies past Springbok. On route, we will encounter a ghost town as well as one of Great Britain's smallest title deeds. Our visit will take us to the tiny mining towns of Nababeep, Concordia and Okiep, which was once the richest copper-ore mining region in the world. And of course, we get to see Namaqua's beautiful flowers in full bloom! This promises to be the highlight of the day.

4 DAY FLOWER TOUR: DAY 3 -

Today we take a different route through the Knersvlakte. We travel towards the Bokkeveld Mountain range where we will drive up the Vanrhyn's Pass. This pass promises some of the most awe-inspiring, views of Namaqualand you will ever see. After we reach the summit, we head towards Nieuwoudtville, the bulb capital of the world, to the majestic Nieuwoudtville Waterfall and the quiver tree forest. We will also spend some time at the local Dutch Reformed church. This beautiful sandstone building has a very interesting story around its founding. The church is most probably the only church with a monument erected for debt.

5 DAY FLOWER TOUR: DAY 4 (Last day) -

The final day of our tour takes us through the Olifants River Valley towards Clanwilliam, enter the Pakhuis Mountains, named for the way the rocks look to be stacked on top of each other. We visit the gravesite of the legendary C. Louis Leipoldt where we also see some extremely rare flower species. Next, we travel back to Clanwilliam to visit the Strassbergers shoe factory. We travel through the valley between the Cederberg and Olifants River Mountain ranges over the Piekenierskloof Pass. Once we traverse the pass, we enter the ironically named Swartland with its golden canola fields and green wheat plains. We finally reach Cape Town after what would most undoubtedly be the most soul satisfying, rejuvenating and inspiring experience.

5 DAY FLOWER TOUR - DAY 1 to DAY 3 -

4-day Namaqualand Flower tour program

5 DAY FLOWER TOUR: DAY 4 -

Today we experience another part of the West Coast. We travel via Vredendal and Lutzville. Here we see the northern region of the Olifants River Valley with its first-class vineyards and vegetable plantations. Strandfontein, one of the most popular holiday destinations along the West Coast, is our next stop. Just south of Strandfontein we find the picturesque fishermen's town of Doringbaai. From here we move further south to Lambert's Bay, the crayfish capital of South Africa. After our visit, we travel back to Clanwilliam.

6 DAY FLOWER TOUR: DAY 5 -

Once we reach Clanwilliam we head towards the Pakhuis Pass into the Cederberg Mountains and over the Brandewyn River. We visit the Englishman's Grave to learn a bit of the Anglo-Boer War. We travel towards the Biedouw Valley. This valley, permitting a good season, can boast some of the most beautiful flower spectacles you will ever see.
