Is this the right trip for you?
This itinerary features some long travel days.

this trip to the fullest.

- South-Africa temperatures rise in the summer months, before the rain comes to 34 38° C, but in the winter can become just as cold.
- What you see on your trip may not be the same as seen by other or in pictures, due to it being a seasonal destination and migratory patterns of animals are not interrupted by fencing.
- As the early bird catches the worm, there might be a few early mornings starts to make sure of best safari times or to miss morning traffic on long travel days.
- This trip is mainly lodging in 2-4-star facilities that complement the setting and location we are in. All the chosen facilities were visited and inspected beforehand to make sure it is up to our standard.

Tour fees will only be refundable if valid proof of illness or death is provided. In such cases, discretion will be applied and the situation will be discussed.

#### Road conditions and infrastructure in:

Road in and throughout Africa are often in poor condition, which makes it hard on our vehicles. We take great pride in our bus and ensure it is serviced regularly and is in a good condition, but breakdowns do happen. Some of the roads we travel are long, full of dust and not exactly smooth sailing. This means that the travel time indicated is just a rough guide and dependant on various factors that are not always in our control. We know that it can be tough, but the destinations at the end of the day are extraordinary!

#### Medical & health information:

Travellers, old and young are required to be in good health to participate fully on this trip. We expect of all travellers to read carefully through the program and asses you on the stress of activities mentioned in the day-to-day program. If in the opinion of our tour guide or leader, any traveller is unable to participate in activities or on the rest of the tour; they reserve the right to exclude them from the activity or tour at any stage, without refund. The appropriate documentation will be provided for travel insurance.

We insist that when over the age of 75 you consult a doctor for an opinion on your travel to a particular country and /or location. We recommend that you carry your own small fits aid kit containing personal required medication and an extra pair of reading glasses. Rehydration salt, motion sickness tablets and diarrhoea blockers are also advisable to have on hand.

#### DRINKING WATER

As a rule, we consider all tap water to be not suitable for human consumption, as it may contain different levels of minerals of bacteria than the water your stomach is used to at home. Your body may not be used to this, and it can cause illness. It will upset your stomach and it will spoil the rest of your trip.

#### Why travel with Namaqua tours?

Who is Namaqua Tours and what do we do differently?

- We are a family business and have been in the tour industry since 1985
- Our tour guides are the most competent, helpful and the friendliest guides that you will ever find.
- Each tour member's personal needs will be met by our trained personnel.
- There is no rushed tour program. Our bus driver is also on holiday and not under any pressure, therefore we can always feel safe and relaxed.

#### www.facebook.com/namakwatoere

After each tour, the photos of that tour will be uploaded to Facebook. This is just another free service which Namaqua Tours offers.

#### What happens when Namagua Tours cancel a tour?

- The tour will only take place for a minimum of 10 people.
- Namaqua Tours undertake not to cancel any tour as far as possible. If it should ever happen that we must cancel a tour, (excluding Covid-19 related reasons) we shall refund your money within 24 hours plus 10% interest per year.

#### How do I book a tour at Namaqua Tours?

- When you have decided to book one of our tours, complete the application form on the last page of this document. Then email it to our office. You can also do a booking over the phone for fast and certain bookings. Feel free to contact us on +27 272 191 633 for a telephonic booking. We shall then do the rest (hotel and flight bookings if indicated as such by you). You will receive a tour reference number and the bank particulars of Namaqua Tours. **This reference number must appear on your deposit slip.** This tour reference number must also be indicated on all correspondence regarding the tour that you booked.
- We DO NOT supply bank particulars without a booking form. The only reason for this is that tour members deposited money in the past without a tour reference number and that they did not do a booking per fax or e-mail. It has happened that prospective tour members deposited money, but that that specific tour was already fully booked.

We begin each morning before we ride with a prayer, and trust in the Lord for a safe and soul-enriching tour.

Kind regards

Namaqua Tours Team
