✘ **HERE'S THE PROBLEM**

Struggle to get leads and clients **without** spending money on Ads or posting on social media 3 times a day

✔ **HERE'S OUR GOAL FOR YOU**

1000+ high-quality leads EVERY WEEK and the system to turn those leads into clients consistently and add \$10k/month to your MRR

HERE'S WHAT YOU NEED TO MAKE THAT HAPPEN

👉 Those are the 4 core systems you need to build to hit the \$10k/month mark consistently 👉

🔥 HERE'S SOME OF WHAT WE'RE GOING TO WORK ON 🔥

- 🔥 How to craft irresistible MRR (Monthly Recurring Revenue) offers, creating massive cash flow for your business & allowing you to create true transformation for your clients...
- 🔥 How to design and deliver a world class program that will get amazing results for your clients and your freedom doesn't go out of the window as you grow
- 🔥 The Smart Hunter is one of our secret weapons for getting clients rapidly without having to post on social media all the time or spend money on ads...this one strategy helps me sleep well at night knowing im going to wake up to 3-5 new calls booked in the next day
- 🔥 The legendary Content Engine that you can use to generate red-hot leads every day with less than 2 hours per week (I'll even give you content swipes to model)...
- 🔥 How to generate an additional \$200-300k/year (minimum) with your Facebook group by turning it into a well-oiled, client-getting machine that nurtures your prospects at scale, effortlessly (I'll show you exactly how to set all of this up)...
- 🔥 The exact appointment-setting workflows you need to follow to book consistent calls, along with the psychology that goes into the actual conversion (I'll give you the exact script and we'll roleplay it together until it's perfect for you)...
- 🔥 How to streamline your sales process so that you get the highest show-up rate, conduct the best possible calls and know exactly how to pitch your unique process, not to mention how to handle objections, word-for-word...
- 🔥 The genius model will help you stand out from the crowd and have people that didn't know you before the genius model rush to you to become clients.
- 🔥 The Design Model 2.0. This is something I've shared with very few people, but it's truly one of the secrets to massive scale specially during tough times like we are heading into.
- 🔥 The 6 Week Gameplan is the system our top clients in Gladiator Mastermind use to stay focused, make big moves and take 12 weeks off each year without losing momentum

...and that's just a fraction of it.

The goal here isn't to just try and teach you some 'cookie-cutter' strategy.

In fact we reward fast action takers...

so for the people who decide to jump in within the first 24 hours of receiving this PDF i got a little gift 🎁👉

you're also going to get FREE access to our custom, all-in-one marketing software, called **Client Generating Engine**.

Until now, CGE has only been available to our high-ticket clientele - and even they had to pay \$300/week.

However, when you jump in, you'll get FREE access to CGE with your membership.

And the best part?

You'll be able to go ahead and cancel expensive softwares like ClickFunnels, ActiveCampaign, Kajabi & more.

(When I first created CGE, I actually saved over \$2,400/month by cancelling my other software tools! 🤪)

Even if you only cancel 1 or 2 tools, this essentially means that you're getting CGE access, along with coaching calls, training & support for FREE.

This truly is a no-brainer and the total investment will be covered by the very first client we help you sign.

THE INVESTMENT?

You'd think that by getting my top money-making strategies, weekly coaching, templates & even access to Client Generating Engine that this would be a \$10k program, right?

Nope.

The truth is, there are too many programs these days which quite frankly suck. They use hype to suck you into paying \$5-10k and then once you join, you just get chunked into a big group & you're left underwhelmed at best.

We're turning the game on its head.

You can get access to EVERYTHING for just \$127/week- with no contracts.

Which means that you can cancel anytime - and we're actually incentivized to give you a program that you LOVE, not one that you're stuck with.

The catch?

This opportunity is only available to 7 people. Watch THIS VIDEO so you can see why we can only do this for 7 people.

SO HOW DO I GET A SPOT IN CLIENT GENERATING ENGINE?

If you've read everything here and you know it's your time now and you're ready to crush it, reply back to our chat with the words "CGE" and I'll get you all set up.

And by the way, totally optional but worth mentioning... We also have an affiliate program where you can get \$100 recurring commissions for anyone you sign up. So if you brought 10 people you would get \$1000 every month!! 😊

Talk soon!
Omid.

P.S. Any time you invest time and money to work with a coach, there's a risk. Right? What if it doesn't work? What if it's not as good as he said? What if Omid's a beardy liar?

So let's look at the best and worst-case scenarios:

Best Case: Over the next few weeks, you design a world-class program. You get leads. You sign clients. You add \$10k a month in recurring revenue. You get new skills, a tonne of confidence, and the systems we install mean you can keep growing every month.

That's the best case.

But what about the worst case?

Worst Case: Maybe it doesn't work. Maybe you're a few days in, and you decide it's not for you. Or the content's not quite right, or maybe you jumped too soon, or you decide that my British accent gets annoying...

In which case, you just cancel your subscription. There is a 7-day FREE trial to test the waters and you only continue if you love what you see. And there is no contract so you can cancel anytime after the free trial.

So that way there's no risk to give it a go and get started, is there?

So, where do you think we should go from here? If you'd like to work together, message me back and I'll get you a link to set up your 7-day free trial.

 **Still here? You've probably got questions...**

1 HOW MUCH TIME DO I NEED TO PUT IN TO SEE RESULTS?

You get out what you put into it.
With that being said, almost everything is fully automated and done for you thanks to the CGE software.
So you can easily run a 6 figure coaching business with less than 3 hours a day.

2 ARE RESULTS GUARANTEED?

We haven't had a single person who implemented this, not get results.
That's because we teach you how to tune leads into clients and how to make your offers irresistible, then we give you the leads.
And on top of that, hand hold you with support throughout the entire journey.
So yea, results are as guaranteed as they could be.

3 HOW MANY LEADS CAN I GET WITH THIS?

The limit is 50,000 right now.
We do have options to get more if needed.

4 WILL I HAVE ACCESS TO THE CGE SOFTWARE FOREVER?

Yup! As long as you are with us, you get the software for free.

5 IS THERE A CONTRACT?

No, you can cancel anytime.
My goal is to make this a profitable addiction for you.
Profitable, because every month you get more clients and make more money because of it.
Addiction, because with it life becomes so easy and running a business so smooth.

6 DO I GET OMIID AS MY COACH OR DO I GET HANDED OFF TO A TEAM MEMBER?

For the first 7 people, Omid will be coaching you personally and walk every step with you.
You also will have access to Omid's personal team.

7 WHAT IF THIS DOESN'T WORK FOR ME?

That would be a first because so far, it has worked for every coach!
There is a 7 day free trial.
And there is no contract. You can cancel anytime.
There is literally no risk to try it.

8 WHAT IF I CAN'T AFFORD THE \$127/WEEK INVESTMENT? OTHER OPTIONS?

We do have an option for \$97/week which gives you everything we have covered in this pdf (trainings + support + CGE software) except the smart Hunter feature that gives you the 50,000 leads.
So if money is tight and \$97/week is more doable, you can get started with that, and when you need extra leads you can upgrade to smart Hunter and get 50,000 leads.
Our trainings also show you how to get leads without smart hunter so getting leads and clients will not be a problem for you once you jump in.
If you want to have a 7 day free trial with either price plans, message me the word "CGE PLAN" and I'll send you the link to get your free trial.

9 IS THERE A WAY I CAN GET STARTED AND PAY YOU LATER?

This is a common question we get and I wanted to create a fail proof system for all the people who want to join but financially can't afford it.
For every person you refer to us, you get \$100 EVERY MONTH!
So all you need is 4 people referred to this and your investment is covered and you can jump in for free!
But why stop at 4?
Refer 10 and you get \$1000 deposited in your bank account every month!
There is no limit so if you go all in, you can easily make 6 figures from just referrals.
If you want to earn money by referring this offer to others, message me "CGE Referral" and I'll set up your unique link for you.
