## **How the Global Online IDoConsent Summit will work - info for speakers:**

Your pre-recorded video/audio presentation should last 20-30 minutes (45 max) and can be either:

- Recorded by you – referencing your own work, signature frameworks and tools for practicing consent
- A podcast-style conversation with me (recorded over zoom at a mutually convenient date and time)

The content should be informative and engaging – you may refer to your own work/products/services, but please don't turn it into a sales pitch – stay on theme.

**NOTE: All finalised presentation recordings received by 1<sup>st</sup> November.**

I will upload all the presentations to the IDoConsent24 Summit web pages (hosted by my company Irregular Inc Ltd).

Leading up to the IDoConsent Summit, we'll have two weeks of promotion (18<sup>th</sup> November onwards). I'll send you some copy and graphics for your promotional emails and social media, to make it as easy as possible for you.

We'll each be promoting the I Do Consent Summit and getting a bigger reach via our collective efforts. Anyone who signs up will get:

- **Free access** link sent by email to all the Summit speakers' content, available from 1am 30<sup>th</sup> Nov to 8am 3<sup>rd</sup> Dec 2024 only. (UK timezone)
- Opportunity to purchase the **Consent Champions Pass**, for lifetime access to all the Summit presentations + replay recordings of the live online events (Consent Compass Masterclass and Consent Practice Panel Discussion) until 14<sup>th</sup> Dec + (optional) bonuses from speakers. The Consent Champion's Pass will cost £52 (a quick booking/ earlybird discount £26 will be made available, to incentivise purchase)

This Consent Champions Pass will provide great value to our attendees, while making the work of promoting and contributing a presentation more worthwhile for you - by providing affiliate commissions and growing your audience/email list. Since I have no resourcing to pay speakers, this is a way for me to offer you something more than just the joy of taking part! I'll provide you with a

simple code/link to include when you promote the Summit and you will receive 50% of the fees paid by anyone purchasing a ticket via you.

All speakers and sponsors will receive a complimentary Consent Champions Pass.

**Optional speaker bonus/bonuses:** If you wish, you may provide a link, image and simple copy for a free or discounted promotion on something that you can offer online (no in-person offers) to attendees.

Free offers will be shared on the IDoConsent Summit webpage for all ticket holders. A second free/discounted offer (if you wish) can be shared to Consent Champion Pass holders only, with them having access to grab it until 14<sup>th</sup> December.

NOTE: You may **take part in the live panel discussion (2 Dec)** on Zoom.

All Summit attendees will be invited to access this live via a live zoom link, free of charge.

Consent Champion Pass holders only will have access to a replay recording of this and my Consent Compass Masterclass (replays available from 3<sup>rd</sup> -14<sup>th</sup> December *only*).

## **What I'll Ask of You**

### *1. BASIC INFORMATION*

The first thing I'll need is some basic information from you so I can feature you on the registration and speakers pages. Once you give me the thumbs up that you're in, I'll send you a link where you can upload all this information easily and sign the speaker agreement.

### *2. PRESENTATION*

I will need confirmation ASAP if you want to:

- Book a time slot for recording in conversation with me, or
- Create your own solo recording. Please structure your content in a way that allows attendees to walk away feeling like they've really learned something. By all means use slides, no slides (just your lovely face), or a mixture of the two

I Do Consent Summit will have exclusive use of your presentation content until 14<sup>th</sup> December, after which you are free to use your presentation however you'd like in the future.

**ALL Presentations are due by November 1st.**

If you have further questions or want to talk through details of your presentation, please feel free to **reach out via e-mail or contact me on Voxer**

<https://web.voxer.com/u/irregularjenn>

### 3. *CONSENT CHAMPIONS PASS CONTRIBUTION*

The Consent Champion's Pass will give attendees lots of additional value, alongside the presentations. To make it even more valuable and to give you an additional way to grow your email list, you're invited to provide one free resource to all attendees, and/or add one free/discounted offer for Consent Champion Pass holders. These offers could include things like:

- A Downloadable E-Workbook
- Recorded workshop, presentation or short course
- Some other offer they can access ONLINE via your website or links.

I WILL NEED a link to where this is on your website so they can access it, and details of any discount/coupon code you're providing.

It's totally up to you to decide whether you'd like to offer anything - create something new or provide access to something you already have. It's not a requirement but taking part is a fab way to help people and add to your audience/ e-mail list.

Finalised information for **your bonus offer/s are due on November 8th**. I'll send a reminder and a form to fill out closer to that time to make passing the information to me nice and simple.

**If you have further questions** or want to talk through details of what you could contribute to the Consent Champion Pass let me know.

### 4. *PROMOTION*

The power of this new Summit approach for the IDoConsent this year is in us coming together to jointly promote it for the benefit of everyone involved – which is the kind of connection I think consent culture is all about!

Because of that, **everyone is encouraged to share on social media and to email your own contacts and mailing lists during the promotion period, starting on November 18th 2024**. Do not promote the Summit before that.

I'll send more information on how to set up your affiliate information as the summit gets closer, so you can include that in your promotional efforts and get your 50% commission from any Consent Champion Pass sales that come via you.

### 5. *EVENT PARTICIPATION*

Sharing pre-recorded presentations and bonuses means you'll already have done the work ahead and you can take part (all speakers get a Consent

Champion Pass). **Please let me know if you would like to be part of the live online panel discussion on 2<sup>nd</sup> December as well.**

### **Action Steps**

That was a lot to cover - thank you for making it this far!

### **For the sake of clarity, here are your current action steps:**

- Confirm you (still) want to be a speaker
- Let me know if you have any questions up to this point!
- Once I have your “Yes” I’ll send your formal speaker agreement and a form for your basic details, copy and image
