Hello Spring!

#Lifeatthevillage

Thanks to your helping heart

Carol Smith

is going home!

Carol was cooking when she turned to throw something in the garbage and fell. She went to Methodist Medical Center and they discovered her broken arm. She spent a quick 10 days at Prairie Vista Village and is going home!

I have been happy with the food here, it's good for the most part. Chris in dietary is a staple. Stella, Gabriel & Heidi in nursing are great. Nicole, Sarah, Debbie and Danielle in therapy have helped me a lot. Everyone has been so nice and I've had fun with my table mates.
