

# TABLE OF CONTENTS

|   |           |
|---|-----------|
| Foreword by Peter A. McCullough, MD, MPH                                      | i         |
| Preface: How This Book Came to Be Written                                     | iii       |
| <b>PART 1: NOT VACCINES, NOT NECESSARY &amp; NOT JUSTIFIED</b>                | <b>1</b>  |
| Ch. 1 Safe and Effective? The Most Divisive & Urgent Issue                    | 3         |
| Ch. 2 A Word of Caution & Encouragement                                       | 13        |
| Ch. 3 The COVID Shots are Not True Vaccines                                   | 16        |
| Ch. 4 Was a Vaccine Even Necessary?   | 19        |
| • An Inappropriate Intervention   | 19        |
| • COVID Survival and Infection Fatality Rates                                 | 20        |
| • Availability of Adequate, Safe & Effective Treatments                       | 21        |
| • The Misleading “95% Effective” Claim  | 27        |
| • Case and Death Numbers Were Grossly Inflated                                | 29        |
| Ch. 5 Were the Emergency Use Requirements Met?                                | 35        |
| Ch. 6 Why Many Have Not Heard This Information Before: Reason #1              | 38        |
| <b>PART 2: DANGERS &amp; GREAT HARM CAUSED BY THE SHOTS</b>                   | <b>45</b> |
| Ch. 7 The “Most Dangerous Medicinal Product in History”                       | 47        |
| Ch. 8 VAERS, V-Safe and Regulatory Agency Failures                            | 54        |
| Ch. 9 VAERS: The Under-Reporting Factor & Causality                           | 60        |
| Ch. 10 VAERS Data Comparisons   | 65        |
| Ch. 11 Early Pfizer Documents: “75-Year Delay” & 1 <sup>st</sup> 3-mo. Report | 70        |
| Ch. 12 Adverse Impacts on Pregnancy & Breastfeeding                           | 73        |
| Ch. 13 Devastating Impacts on the Military                                    | 80        |
| Ch. 14 Data for Those 65 and Older  | 89        |
| Ch. 15 Dangers of Giving COVID Shots to Children                              | 92        |
| Ch. 16 Adverse Impacts on Athletes  | 101       |
| Ch. 17 Dangers of the Spike Protein   | 103       |
| Ch. 18 Destructive Impact on the Natural Immune System                        | 110       |
| Ch. 19 “Future Framework” for New COVID Vaccine Formulations                  | 116       |
| Ch. 20 Pfizer Documents Show Other Irregularities                             | 120       |
| Ch. 21 Moderna’s Improprieties  | 127       |
| Ch. 22 Problems with the Johnson & Johnson COVID Shots                        | 131       |
| Ch. 23 Other Evidence That Raises Concerns About Safety                       | 135       |

|   |            |
|---|------------|
| <b>PART 3: INEFFECTIVENESS &amp; OTHER IMPACTS</b>  | <b>141</b> |
| Ch. 24 General Issues Concerning Effectiveness  | 143        |
| Ch. 25 Breakthrough Cases   | 151        |
| Ch. 26 Boosters and Variants  | 156        |
| Ch. 27 Risk/Benefit Analyses  | 165        |
| Ch. 28 Clinical Trial Data Reveal a Decline in Health   | 170        |
| Ch. 29 Natural Immunity is Superior to Vaccine Immunity   | 175        |
| Ch. 30 Reports from Autopsies, the Funeral Industry, and<br>Life Insurance Companies                    | 177        |
| Ch. 31 Other Impacts: D-dimer Tests, the Story That Backfired &<br>Who Needs to Be Protected From Whom? | 186        |
| Ch. 32 Why Many Have Not Heard This Information Before: Reason #2                                       | 192        |
| <b>PART 4: THE “BIG PICTURE” &amp; WHAT IS IN THE VACCINES</b>  | <b>207</b> |
| Ch. 33 Why Many Have Not Heard This Information Before: Reason #3                                       | 209        |
| Ch. 34 The “Great Reset” & the Globalists’ New World Order  | 217        |
| Ch. 35 Advancing the Globalist Agenda by Deception  | 223        |
| Ch. 36 Can the COVID Vaccines Change a Person’s DNA?  | 226        |
| Ch. 37 Technologies Relating to DNA & Genetic Editing   | 230        |
| Ch. 38 Contents of the Vaccine Vials:<br>General Concerns & Blood Samples                               | 235        |
| Ch. 39 Dangers of Certain Disclosed Ingredients   | 241        |
| Ch. 40 Undisclosed Substances – General Concerns  | 244        |
| Ch. 41 Strange Objects and Structures   | 247        |
| Ch. 42 Graphene: Is it in the COVID Shots?  | 253        |
| Ch. 43 5G Issues  | 260        |
| Ch. 44 Reflections on Part 4  | 263        |
| Ch. 45 This is a War  | 265        |
| Ch. 46 Conclusion   | 272        |
| Ch. 47 Call to Action From Two Doctors on the Front Lines<br>About the Authors                          | 274<br>277 |
