

Nike Famojuro

Certified Productivity & Leadership Strategist

Nike Famojuro partners with ambitious professionals, entrepreneurs, and organizational leaders who are committed to elevating their productivity, maximizing team performance, and achieving lasting results. Using proven strategies, she helps organizations reduce inefficiencies and build a culture rooted in clarity, collaboration, and continuous growth. Her dynamic approach empowers individuals and teams to unlock their full potential, drive sustainable success, and consistently operate at peak performance.

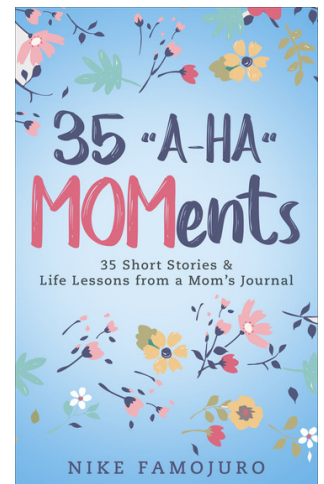

In addition to her work as a productivity coach, Nike is a proud member of the John Maxwell Team, a TEDx speaker, and a LinkedIn Learning instructor. She holds a first degree in Law, a postgraduate certificate in Psychology and Neuroscience of Mental Health, and a Master's degree in Counselling, blending her diverse expertise to deliver deep, transformative impact.
