## **CONSENT & SIGNATURE**

\_\_\_\_\_ **I consent to having periodic mid-season home inspections.**

\_\_\_\_\_ **I consent to receiving periodic player bed-check calls near or at curfew.**

\_\_\_\_\_ **I hereby consent to adhere to all policies and procedures set forth by the Ogden Jets.**

Jets players report to Ogden in late July/early August and will remain until the end of the season in November. Players will provide their own transportation and cell phones. Then team asks the host families to provide a separate bedroom for the player(s). It must be furnished in a manner consistent with a college dormitory room (bed, desk, chair, and internet availability). Players are expected to uphold all house rules, follow team curfew, keep a clean room, and do their own laundry. Healthy food must be available for at least two meals per day (breakfast & dinner). While the host family is not required to cook all meals for their player(s), we would prefer they are included in your regular family dinner. Please be aware that many players have a large food requirement due to the physical demands of football. Host families are compensated \$350 per player per month to assist with grocery expenses. Host families will enjoy the freedom of being able to temporarily leave town during the season providing arrangements have been made in advance with the Jets organization.
