

# Your Local Referral Networking Group Fact Sheet

---

## Hybrid Networking with Flexibility

- **Hybrid Networking Organization:** Our group offers a hybrid networking model that allows up to three professionals per networking group.
  - **Industry Flexibility:** If a member misses a meeting, that's ok because there are no attendance requirements, giving members flexibility.
- 

## Structured & Engaging Meetings

- **In-Person Networking:** Each networking meeting is structured with 30 minutes of general networking followed by a 1-hour agenda.
  - **Elevator Speeches:** Every member gets a 60-second window to share what their ideal referral is, highlight their business, and identify key referral partners.
  - **Spotlight Speaker:** One member each week gets the chance to give a 10-minute presentation about their business, providing deeper insights into their services.
  - **Additional Networking Opportunities:** We discuss local networking events, helping our members broaden their connections.
  - **Coffee Connections:** We encourage members to engage in one on one connections per week, fostering stronger professional relationships within the group.
- 

## Automation-Driven CRM for Maximum Organization

- **AI-Powered CRM:** With your membership, you receive an AI-powered, automation-driven CRM that keeps you organized and efficient.
  - **Scheduling & Pipelines:** This tool includes unlimited scheduling calendars, fully customizable pipelines, and contact management for easy segmentation of prospects, clients, and referral partners.
  - **Communication Tracking:** Track all communication history with your contacts, ensuring a seamless follow-up process.
  - **Drip Campaigns:** Send targeted emails and texts using drip campaigns, improving your message deliverability and engagement.
  - **Customizable Contact Accounts:** Customize each contact's account to suit your business, while managing documents, notes, and scheduled tasks to stay on top of follow-ups.
-

## Software Perks

- **Dynamic QR Code Creator:** For our "Next Level Networkers," gain access to our entire program which also includes a dynamic QR code generator with scanning analytics to track who interacts with your codes. Keep the same code image but change the destination on the backend. We also track the analytics of first time and multiple QR scans.
  - **All-In-One Social Media Management:** Schedule and post to multiple social media platforms from one place, streamlining your content strategy and saving you time.
  - **Advanced Marketing Tools:** Our system includes tools for marketing emails, forms, surveys, and more, all aimed at automating your communication and increasing follow-ups.
- 

## Partner Perks Affiliate Program

- **Earn While You Network:** As part of the Partner Perks Affiliate Program , members are rewarded for referring others to Your Local Referral. 10% Monthly Recurring Revenue: Members who refer others through their affiliate link will earn 10% monthly recurring revenue for each referral that joins.
  - **Potential for Free Membership & Revenue:** With enough referrals, your membership could eventually pay for itself, and even generate additional revenue.
- 

## 24/7 Support & Continuous Learning

- **Live Chat & Resource Library:** Our system offers 24/7 live chat support from a real human, plus a full library of resources to help you navigate and maximize the CRM.
  - **Weekly Emails & Video Tips:** Receive weekly emails with 2-minute videos that explain key features and provide networking tips.
  - **Motivational & Educational Resources:** Get access to a library of audiobooks that cover topics like time management, AI (including ChatGPT), and more, designed to help you grow your business and balance your work-life better.
- 

## Ready to Join?
