

MAURICIO HERNANDEZ / BIO

His commercial success began in 2016 when “Summer Vibes” spent two months in the Top 50 viral charts in Germany, accumulating over 2.5 million streams solely on Spotify. Subsequently, in 2019, he was acknowledged as one of the Top 50 global producers by MOTi, the head of the ZeroCool label, leading to a collaboration that gained support from renowned artists such as Hardwell, R3HAB, Lucas & Steve, among others. Additionally, the song secured placement in prestigious playlists like “One World Radio” by Tomorrowland for four months in 2020.

Mauricio has received immense support and positive feedback worldwide, claiming the #1 spot in “Best Dance Songs Chile” and enjoying substantial airplay on Marbella Radio (Spain) for his track “Confessions”. This track was released under EDX’s Sirup Music label, which was nominated for the GRAMMYS in 2019. His songs, including “End Up”, “Nobody Else”, “Find My Way” & “In Your Mind” and “Over Again” have had extensive exposure on major Chilean radio stations like “Carolina FM & Radio Disney” up until 2025.
