MAURICIO HERNANDEZ / BIO

Su éxito comercial comenzó en 2016 cuando “Summer Vibes” se ubicó durante dos meses en el Top 50 de virales en Alemania, acumulando más de 2.5 millones de reproducciones solo en Spotify. Prontamente, en 2019, fue reconocido por uno de los 50 mejores productores globales, cabeza del sello ZeroCool, MOTi, lo que llevó a una colaboración que recibió apoyo de artistas renombrados como Hardwell, R3HAB, Lucas & Steve entre otros. Además, la canción obtuvo ubicación en listas de reproducción de renombre como “One World Radio de Tomorrowland” durante cuatro meses en 2020.

Mauricio ha recibido un inmenso apoyo y comentarios positivos a nivel mundial, logrando el puesto #1 en “Best Dance Songs Chile” y obteniendo una rotación intensa en Marbella Radio (España) por su tema “Confessions” lanzado en el sello Sirup Music de EDX quién fue nominado para los premios GRAMMY en 2019. Sus canciones como “End Up”, “Nobody Else”, “Find My Way”, “In Your Mind” y “Over Again” han tenido una gran difusión en importantes estaciones de radio chilenas como “Carolina FM & Radio Disney” en lo que va de 2025.

A DJ, Mauricio Hernandez, is seen from behind, wearing a white t-shirt and headphones, performing at a large outdoor festival. He is standing behind a DJ booth with various equipment, including turntables and mixers. The background is filled with a massive crowd of people sitting on bleachers, all facing the stage. The sky is a mix of orange and blue, indicating sunset. The overall atmosphere is vibrant and energetic.

Destacadamente, los momentos culminantes en la carrera de Mauricio incluyen ser seleccionado para el post show a “Tiesto en Chile” en febrero de 2022 en el “Movistar Arena” de Santiago, donde ofreció un show de primer nivel durante 2 horas y media. Además, a finales de 2023, fue elegido para el Warm Up a “David Guetta presenta MONOLITH en Chile” en el Estadio Sausalito de Viña del Mar, cautivando a una audiencia de 28,000 personas y preparando el escenario para el espectáculo de David con una impresionante energía. También mencionar que ha sido el único chileno en presentarse en el festival de música electrónica más grande de Latinoamérica “EDC México” en 2022 y 2025.
