Automatically Organize & Follow Up With Your Appointments

The Meeting Status Update Form

- Delivered to you via email & text 2 mins before each meeting
- Automatically follow up with leads after a meeting
- Helps you keep track of leads
- Streamlines the note taking and follow up process
- Send a thank you note with your notes so you can be proactive about your follow up

Never let a sales opportunity go again!

A screenshot of a web form titled "Please Update The Status of Your Meeting". The form is displayed on a mobile device interface. It contains several input fields: "First Name" with the value "Demo", "Last Name" with the value "Test", "Phone" with a dropdown for the US flag and the number "(408) 425-7493", and "Email" with the value "Test@gmail.com". There is a dropdown for "Appointment Status" with the text "Select an option". Below this is a section for "If Sold Lead Value:" with a dollar sign icon and a text input field "Enter Lead Value In Numbers Only". The next section is "INTERNAL NOTES: (NOT SENT TO CLIENT)" with a text area "Enter any internal notes from this meeting to keep on record". This is followed by "Conversation Recap Notes (THESE ARE EMAILED TO CLIENT)" with a text area "These notes are emailed to client as a conversation recap". Then there is a section "Z-Send Conversation Recap Email? *" with two radio buttons: "Yes (send email)" and "No (don't send email)". The final section is "Follow Up In" with a text input field "Choose The Date". At the bottom is a dark button labeled "Update Meeting Status".
