Remember to update your child's photo every 6-12 months!

Important Information  
for Parents

1. Teach your child how to use 911. Your child should also know his or her full name, address and phone number.
2. Teach your child about the dangers of strangers. For example, never go anywhere with someone they do not know. Do not approach an unfamiliar car.
3. Do not place your child's name on personal items. This information could be used by strangers.
4. Teach your child what to do if you are separated in a public place.
5. Know exactly where your child is and who they are with at all times.

**There is no waiting period before a missing child can be reported to the police. Report it immediately and have the info they will need on hand.**
