Net Income from Fundraisers	\$483.50	Towards Art Grants

SUMMATION REPORT

Although final numbers show revenue raised after expenses was \$483.50, the great news is we have supplies remaining for use at the weekend event valued in excess of roughly \$1,000 for food and beverages, \$200 for signage, as well as, fire extinguishers and fire safety equipment, and community awareness of immeasurable value. We believe the event was a great success in fulfillment of The Love Burn mission statement;
"MISSION: Our mission is to grow a happy, prosperous community that brings performance art, small to large scale interactive art, and great music while sharing the Ten Principles of Burning Man in South Florida."
