

Nirvana Mood **Enhancer System**

Elevates healthy production of beta-endorphin to enhance mood without drugs, chemicals, or stimulants. It contributes a positive impact towards a well balanced emotional and mental health.

SP6 Complete patch gently stimulates acupressure points on the body to cause a natural decrease in hunger and sugar cravings - without drugs, stimulants, or needles. SP6 also provides hormone balance and digestive system support.

QUALITY OF LIFE

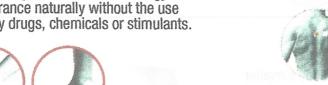

Energy Enhancer

Energy Enhancer increases beta-oxidation (energy production in the cells), a process that produces more energy from fat burning and by improving mitochondrial functions, an anti-aging benefit. Clinically proven to effectively increase overall energy and endurance naturally without the use of any drugs, chemicals or stimulants.

IceWave is a safe, powerful, and effective solution for all levels of pain. Using the healing properties of light, IceWave is designed to provide fast relief at the source of discomfort. IceWave is drug free, non-addictive and has no harmful side effects.

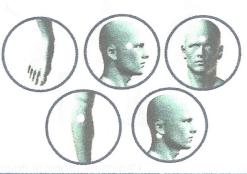

Full Body Regiment

Silent Nights regulates the natural and healthy production of melatonin without the use of drugs, chemicals or stimulants. Clinically proven to improve the quality and length of sleep without causing that groggy feeling the next day.

Silent Nights*

ETERINARY PAIN

AcuLife is a safe, powerful, and effective pain management solution for horses and other pets. Designed to reduce inflammation and provide fast relief at the source of discomfort and pain. Unlike most pharmaceutical pain killers, AcuLife is drug free, non-addictive and has no harmful side effects. No veterinary prescription is required.

AROMATHERAPY MIST

Enhances energy, sleep, increases testosterone and oxytocin for tissue repair. Infused with a science backed blend of natural ingredients. Proprietary energized and structured water.

Spray on wrist and inhale to enjoy the scent. Use Shine in the Morning and Dream in the Evening before bed.
