THE TEN RULES OF WONDERLAND

RULE # 1

If you're here, you're probably a little crazy. Okay, a lot crazy.

RULE # 2

Never talk to the cat.

RULE # 3

Don't smoke with The Hookah Dude. He's totally smoking something illegal. Don't get all weepy on me. With all the 60's psychedelic rock he's playing over there and lava lamps and... come on, what the hell did you think was happening?

RULE # 4

Do not trust the cat.

RULE # 5

At the tea cup party always move to the right. RIGHT.
No, your other right... never mind.

RULE # 6

White is **not** a good color in the Wonder-hood.

RULE # 7

The cat's polite, but he's still a lying little bastard.

RULE # 8

Eat Me Cake is fattening. The amount of sugar in one piece is staggering. Diabetics, this is a hard "no".

RULE # 9

Sure, getting small is cool, but... Drink Me Juice tastes like crap. More specifically, like rat cr... never mind.
It tastes really, really bad.

RULE 10

Cat advice is the absolute worst advice you can ever take. With that smiley little face and those shifty little eyes and that cute little, "We're all mad here" crap. Do not listen to a damn thing he says. You've been warned!

Day 1 Surviving The Fall

Song: Advice From a Rabbit

If I told you, sure you might be crazy
but don't trust the cat
If I told you, that that creepy hookah dude is
smoking crack
And that twinkle twinkle little bat will get you
wondering where you be at

If I told you, in a tea cup party you move to the right
If I told you, that the Queen will loose it if you're wearing white
If I told you, never trust a cat, he'll always lie although he's polite

It's a dream, it's a freaking illusion
It's a dream it's a yeah
It's a dream and it's always confusing
It's a dream it's a yeah, yeah

If I told you, eating all that cake will only make you fat
And I told, you that that tiny bottle tastes like sewer rat
If I told you never take advice
especially if it comes from a cat

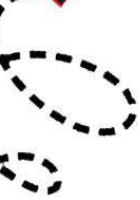

It's a dream, it's a freaking illusion
It's a dream it's a yeah
It's a dream and it's always confusing
It's a dream it's a yeah, yeah

I know it's time to wake up, wake up, wake up
I know that I could make up, make up, make up
Another kinda rhyme
Wake up, wake up, wake up
I know it's time to face up, face up, face up
Face up, Face up

I'm running out of time
It's a dream, it's a freaking illusion
It's a dream it's a yeah
It's a dream and it's stupid confusing
It's a dream it's a yeah, yeah
Yeah, yeah, yeah, yeah

I know it's time to wake up, wake up, wake up
I know that I could make up, make up, make up
Another kinda rhyme
Wake up, wake up, wake up
I know it's time to face up, face up, face up
Face up, Face up

I'm running out of time

DAY 2

Hidden Wonderland Song: If the Key Fits

What kind of thing would culminate to make a rabbit really late
I heard him come this way or did that happen yesterday

Now my butt feels like a bowling ball and why the hell's this door so small

Could be I'm just losing it why did I ever drink that shit
Why can't I feel my arms or toes and what's that running out my nose

My legs are looking really long that drink me juice was stupid strong
Just deal with it the hell you say you sure this isn't yesterday

What kind of parents go and name their children Tweedledum & Tweedledee
And what was such a good idea about me jumping down a rabbit hole
And where do rabbits buy their clothes or are they only ever custom made
And didn't all this really happen yesterday

It could be I'm just losing it why did I ever drink that shit
Why can't I feel my arms or toes and what's that running out my nose

Alice, curious Alice
Upside down Alice, Alice, Alice

What kind of parents go and name their children Tweedledum & Tweedledee
And what was such a good idea about me jumping down a rabbit hole
And where do rabbits buy their clothes or are they only ever custom made
And didn't all this really happen yesterday, yesterday, yesterday

What kind of thing would culminate to make a rabbit really late
I heard him come this way or did that happen yesterday
Now my butt feels like a bowling ball and why the hell's this door so small

Could be I'm just losing it why did I ever drink that shit
Why can't I feel my arms or toes and what's that running out my nose

My legs are looking really long that drink me juice was stupid strong
Just deal with it the hell you say you sure this isn't yesterday
Thought I heard him come this way
Thought I heard him come this way
Or did that happen yesterday
Now my butt feels like a bowling ball and why the hell's this door so small

Why did I ever drink that shit
Why the hell's this door so small, small, small, small
Why can't I feel my arms or toes
Small
What's wrong now Alice
What's that running out my nose
You sure this isn't yesterday
Too late now Alice
You sure this isn't yesterday
What's wrong now Alice
Small small
And what's that running out my nose
Too late now
Alice

ANSWER ONE:
We thought they
were horrible names
and terrible parents,
until we met T2.
Now we see they
had no other choice

ANSWER TWO:
Depends on the
rabbit. The discerning
rabbit always
frequents 'Hare
& Daughters';
Others are more
Target kinda
shoppers. You can
tell which is which.

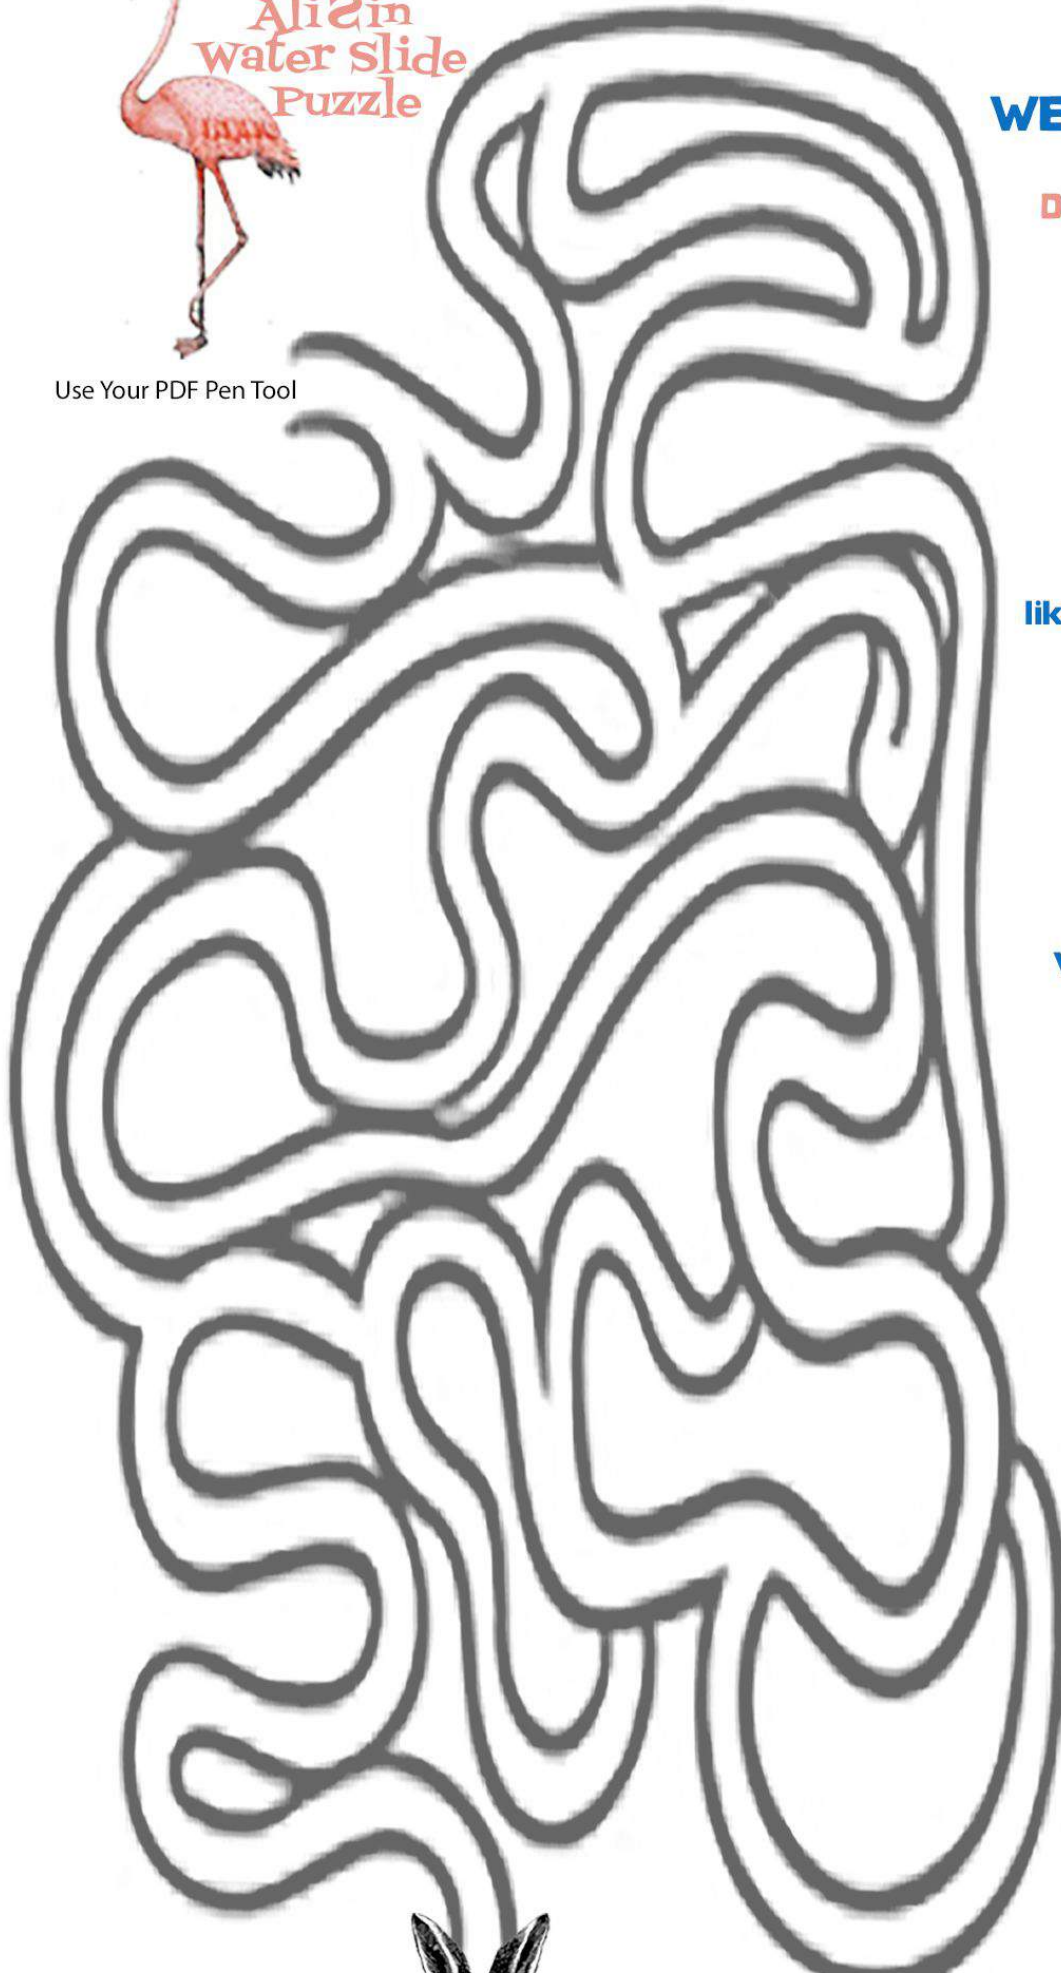

ANSWER
THREE:
You're just thinking
about this now?

WET WONDERLAND

SONG:
DROWNING IN MY TEARS

Still begging
Still lying
Pretending things
aren't clear
Keep thinking you're
somewhere now
You're somewhere
Just not here

And still they fall
like all those second chances
I can't recall just why
Still not sure just
Why I'm drowning
in my tears

And here I sit
Keep trying to undo
There's no rewind
Can't seem to get to
Why I can't stop drowning
in my tears

Keep begging
Keep lying
Thinking it's clear
Keep saying
You're somewhere
You're somewhere
Just not here

You can't hear it
You can't feel it

Can't fake it
Why fight it
You'll never find the key
Some doors
you just can't open
That's why I'm drowning
in my tears

Drowning Drowning
Drowning Drowning
Drowning Drowning
Drowning Drowning
Drowning Drowning

Can't hate it
Deny it
That's why I'm drowning in my tears

SONG - SO EASILY OFFENDED

Left foot in, then the right
Make a line, keep it tight
Ready set, don't be slow
First you stop, then you go

Just head east, or the west
Healthy strides, always best
Go at red, stop on green
Keep away from the Queen

Come on and say
Say you love me
Just how'd you think that I'd react
Come on and say
Say you love me
Why'd you think I'd want you back

Lace your boots, wear a hat
Never talk to the cat
Piece of cake makes you long
Drink me juice stupid strong

One small tip that I read
Might help you keep your head
Go at red stop on green
Keep away from the Queen

Shoulda gone and left you long long ago
Gonna go get famous on the radio
Gonna go to Hollywood then you'll see
Get my name on the movie marquee

Know you needed something it's easy to see
Know you needed something it's just not me
Just not me
Know you needed something it's just not me
Know you needed something
Just not me. Just not me. Just not me

Come on and say
Say you love me
How'd you think that I'd react
Come on and say
Say you love me
Why'd you think I'd want you back

Left foot in then your right
Make a line keep it tight
Twinkle's fine with a bat
Never talk to the cat

Piece of cake makes you long
Drink me juice stupid strong
Just head south never stare
Hookah guy floats on air

One small tip that I read
Might help you keep your head
Go at red stop on green
Keep away from the Queen

Come on and say say you love me
How'd you think that I'd react
Come on and say, say you love me
Come on and say, say you love me
Why'd you think I'd want you back
Come on and say, say you love me
Come on and say, say you love me
Why'd you go all act like that
Come on and say, say you love me
Looking for something
Looking for something it's just not me
Looking for something
Looking for something
Looking for something
Looking for something
Just not me

DAY 5

Celebrity Homes of Wonderland

SONG - W. RABBIT

Every hour feeling walls are getting closer
Every minute watching shadows getting taller
Try to hold, to the dream
Shattered and broken
Washed away by the fear
Of things that were never said

Every hour, little things I can't remember

Look, know some times it doesn't
go your way and either way
You gotta shake it off
You know you gotta come around and look
and find yourself a new way

You kinda go astray and know
No matter what you say you find somebody
hearing it some kinda sorta new way

You wanna run away
Sometimes it doesn't pay to find it in the DNA
Of every time you try and stop from having such a bad day

It isn't merciful to see it
And with all the prayers you know
you know that nothing's gonna change it
or can make that shit reversible

It isn't criminal to wanna go to bed
and put the pillow on your head and
Pull the covers up so you can keep yourself submersible

It's irreversible the writing on the wall
The way the stars all get in line you know
there really isn't time to take it personal
It isn't criminal, it's irreversible
The writing on the wall
The way the stars all get in line you
know it really isn't personal
It isn't personal
Don't take it personal

And with all the prayers you know
you know that nothing's gonna change it
or can make that shit reversible

Nothing ever seems to go your way
Better wait until tomorrow
If you have yourself a bad day

Not so sure it's gonna go away
Better wait until tomorrow
If you have yourself a bad day

When your shit is all in disarray
Maybe take a small vacation
You just have yourself a bad day
When your luck has gone on holiday
Know that things are gonna change
Because you had yourself a bad day

Strange, strange, strange, strange,
strange, strange, strange, strange

Every hour, wonder why more doors are closing
Every minute, wonder why I'm still exposing
All I am, could I be losing my center
In a year, maybe two
They say I'll be over you

Just don't know that's it's true
Not sure I'll be over you

Know sometimes it doesn't go
your way and either way
You gotta shake it off
You know you gotta come around and look
and find yourself a new way

You wanna run away
Sometimes it doesn't pay to find it in the DNA
Of every time you try and stop from
having such a bad day
It isn't merciful to see it

Strange, strange, strange, strange,
strange, strange, strange, strange

It isn't merciful to see it
And with all the prayers you know
you know that nothing's gonna change it
or can make that shit reversible

Nothing ever seems to go your way
Better wait until tomorrow if you
have yourself a bad day
Not so sure it's gonna go away
Better wait until tomorrow if you
have yourself a bad day
When your shit is all in disarray
Maybe take a small vacation you
just have yourself a bad day

When your luck has gone on holiday
Know that things are gonna change when
you just have yourself a bad day
Nothing ever seems to go your way
You know you're not so sure it's gonna go away
Better wait until tomorrow when you have yourself a
When your shit is all in disarray
Just have yourself a bad day

DAY 6

THE HOOKAH HANG

SONG

WHO ARE YOU?

Delicious as a pasta fazool
No one can tell me better
As sexy as a new tattoo
Predictable as the weather
Mysterious as a Fu Man Chu
And others have tried it's true
No way you're ever gonna hide or misconstrue
Now tell me honey who are you

I see we have a lot to review
I'm putting it all together
I'll smell you saying something untrue
So tell me honey who are you
You can hum it on a big kazoo
That part I'm leaving up to you
This little talk is way overdue
Now tell me honey who are you

Ah, come on and tell me, who are you
Who who who who, who who who are
Who who who who, who who who are

Ooh ooh
You wanna draw a picture that's okay
Ooh ooh
Or you can sing the songs another way

Ooh ooh
Ooh ooh

Karate or some cool Kung fu
Whatever is your jam
Come on remind me honey tell me who are
Blow it on a slide trombone
Louder's always better
Ya gotta let it go now honey who are
You know you'll never keep it secret from me
Come on and tell me honey who are you
You can tell me, you can tell me,
You really can tell me

A taco or a little fondue
Will make it go much better
Some people get a new hairdo
Some people write a letter
Come on now baby dry your eyes

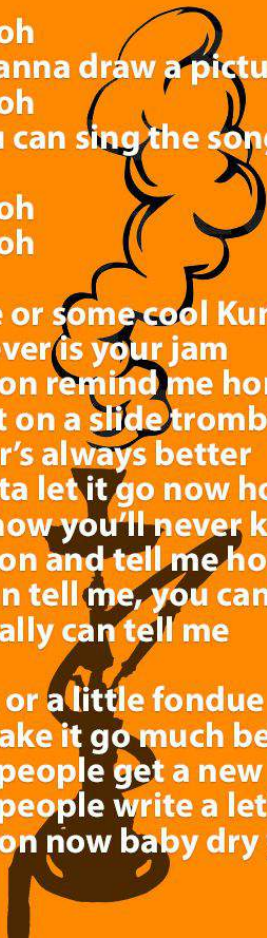

Oh stop it grab a tissue
Before the cock crows doodily-doo
You'll tell me honey who are you

Come on now you just give it away
Like some bad Christmas sweater
No matter what the holiday
Come on and tell me honey who are you
No matter what you're feeling today
Tomorrow you'll be better
Before you hit that pillow tonight
You'll tell me honey who are you

Ah come on and tell me, who are you

Ooh ooh
Ooh ooh
You think that you know,
Well at the present at least
Exactly who you are now since
All the shrinking has ceased
Please explain if you can,
If you think that you might
I want the little details cuz
They might throw some light
On the what, when and how
And maybe, baby the when
Of how this whole thing got started,
Who you think is your friend
And who you think is a jerk,
Is this all deja vu
So enough about me,
Tell me more about you

Delicious as a pizza pie
Or mushroom bar-b-q
They do it out in Timbuktu
Come on and tell me honey who are you
Mysterious as someone who has
A different point of view
Mysterious as a Fu Man Chu
You knew that there would come a time
To face your Waterloo
Hey get a clue
You know you're gonna feel much better
Come on and tell me honey who are you

Day 7

Mysteries of Wonderland

Song: What Are You Smiling At

You always go left when you know it's right
You tell me it's day when you know it's night
You say that you will when you know you might
You swear that it's black when you know it's white

I'd kinda like it somewhere
Kinda like a million miles from here
Some kinda new direction
Exactly what that is is still unclear
I kinda think I don't care
It doesn't matter now which way you turn
Even if it's nowhere
I'll never worry if you might return

I hear you knocking when there's no one here
I see you smiling when you disappear
The words you're saying make it more unclear
It's better, it's better, if you're not here
If you're not here

I hear you knocking
You're not here
It's better
A million miles from here

I'm kinda thinking somewhere
Maybe there's a place with lots of dark
And if there is a somewhere
Well maybe that's the place I'll make my mark
I'm thinking I don't think much
Of all the little ways you twist and turn
And maybe if it's somewhere
Won't worry if you ever might return

Never no never
Some place you won't return
Never no never
Won't make me twist and turn
Never no never
Exactly where's unclear
Never no never
A million miles from here, miles from here
A million miles from here
A million miles from here
I'm thinking somewhere, thinking somewhere
Exactly so unclear, so unclear
Just thinking somewhere

Bonus Mystery Question:

"Why is a raven like a writing desk?"

Answer:

"Have you guessed the riddle yet?"
the Hatter said, turning to Alice again.

"No, I give it up,"

Alice replied. "What's the answer?"

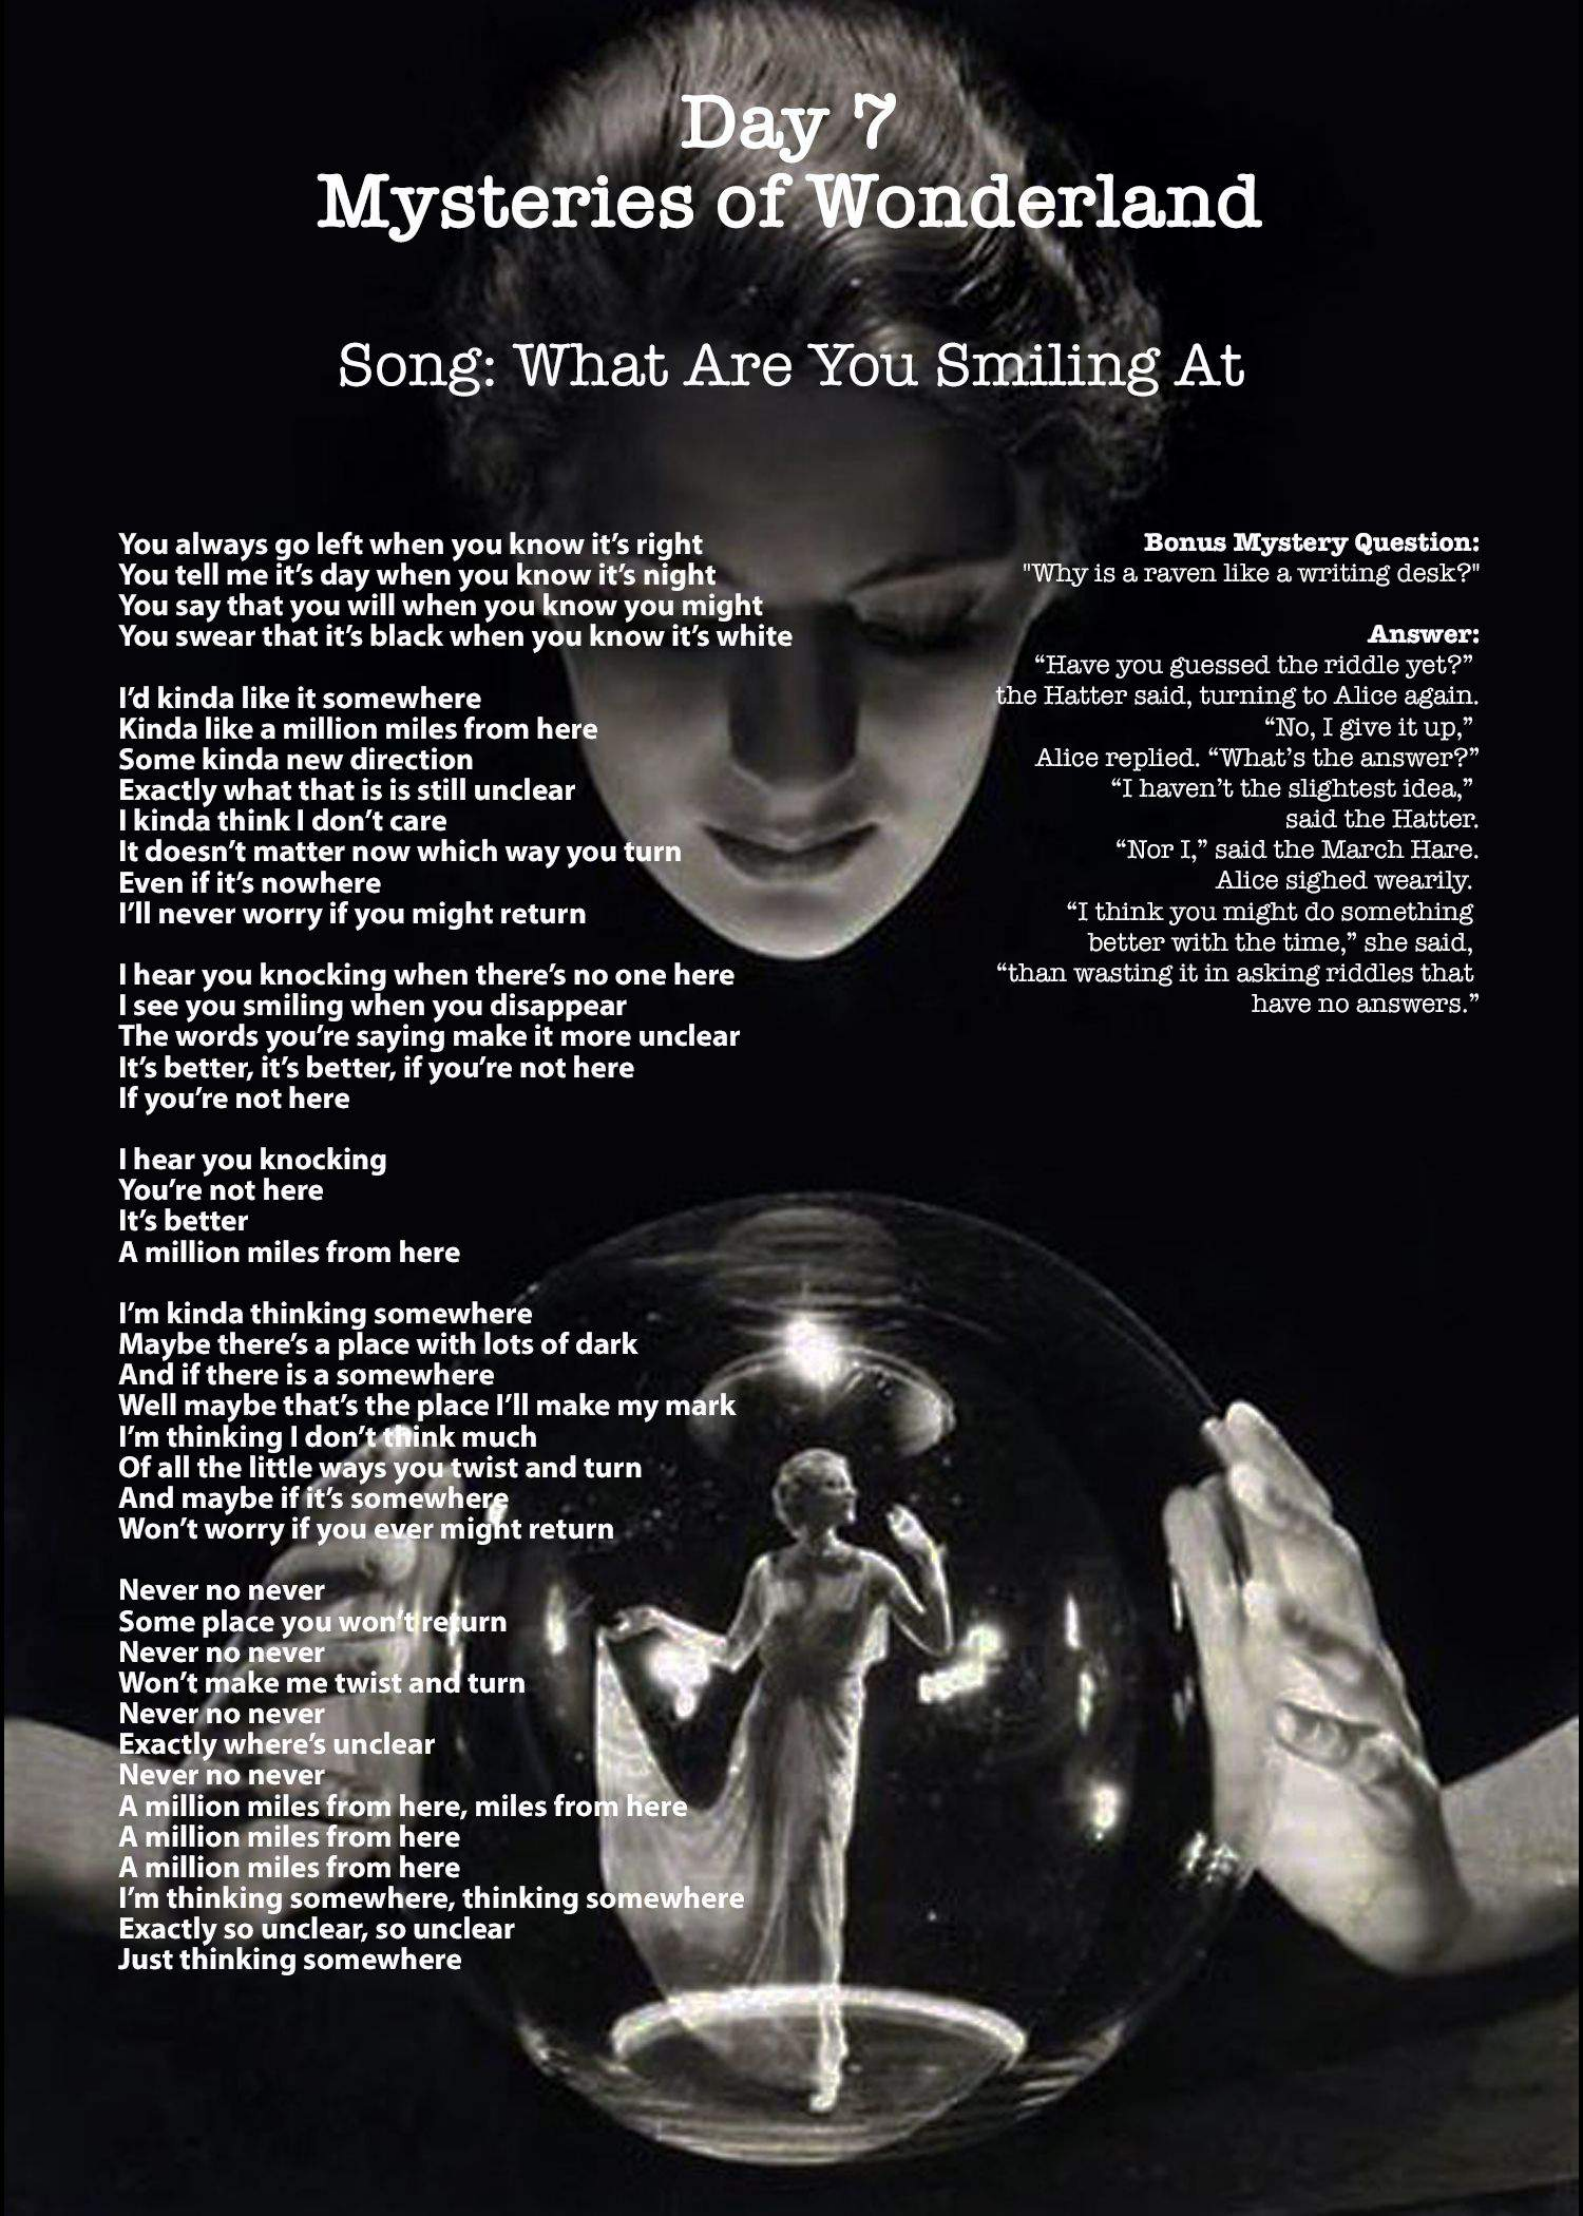

"I haven't the slightest idea,"

said the Hatter.

"Nor I," said the March Hare.

Alice sighed wearily.

"I think you might do something
better with the time," she said,
"than wasting it in asking riddles that
have no answers."

Day 13

Eating Wonderland

Song: The Best Butter

Still don't understand
Is this still your plan
All I feel is you
Pulling me in all directions

You always say what
you mean
Is what you mean to say
And always speaking
in rhyme
Sometimes you end
up back
at the beginning

I think that this morning
It's just right out of view
I dreamed of The Duchess
She reminds me of you
I can't help but feeling
that a long time ago
I was dreaming
of someone
for an hour
An hour, an hour
An hour or so

It isn't important
just a little askew
If your cup is still empty
or it's one lump or two
It's not so important
if I finish this verse
Cuz the next one is perfect
it's the one I rehearsed
So I dreamed of The
Duchess for a hour or two
Did I happen to mention
he reminds me
Reminds of you

Still don't understand
Is this still your plan
All I feel is you
Pulling me in all directions

I can't quite remember
how to finish this verse
The next one is better
it's the one I rehearsed
I dreamed of The Duchess
for an hour or two
Did I happen to mention
she reminds me

Day 9

Wonderland Sports

Song: Fighting For the Hedgehogs

Filling up the space in between
Got the speakers in the truck
Playing "Peaches and Cream"
Got a ten percent off she's trying to redeem
She got a part-time job and a cigarette
You know what I mean

Hey now your look is irresistible
But the rule you're trying to break
Yeah it's really not permissible
Filling up the space in between
She got a part-time job and a cigarette
You know what I mean

Hey now your look is irresistible
But the rule you're trying to break
Yeah it's really not admissible

Hey, maybe you could think it seems okay
To stay
No way
Maybe someday

Hey, maybe you could think of just one way
Okay
Just maybe
Maybe someday

Hey hey hey hey
We'll take it slower
Hey hey hey hey
That's right
Hey hey hey hey
Just think it over
Hey hey hey hey
All right

Filling up the space in between
Got the speakers in the truck playing "Peaches and Cream"
Got a ten percent off she's trying to redeem
She got a part-time job and a cigarette

Hey, maybe you could think it seems okay
To stay
No way
Maybe someday
Hey, maybe you could think of just one way
Okay
Just maybe
Maybe someday

Hey hey hey hey
We'll take it slower
Hey hey hey hey
That's right
Hey hey hey hey
Just think it over
Hey hey hey hey
All right
Hey

DAY 10

LEARNING TO SPEAK WONDERLAND

SONG: UGLIFICATION AND DERISION

Right at the drop of a hat you can tell
that it's nothing like you've ever heard
Knowing the end of the story is going
to ramble all sounding absurd
Is it the morale that you wanna hear
Is it the answer you're hoping is near
Ain't nothin' wrong with your phone
Trippin' cuz you never leave it alone

Gotta stop thinking it really is crazy
to think of how long you can go
Feeling too lazy to go from the drop
so if you want to go
You can go the direction that you wanna take
Why would you think that it's all a mistake
Kind of a drag to be small
Stupid to find it's a drag to be tall

Know that you're thinking it really is
crazy to think that it ever will stop
Feeling too lazy to go from the drop
so if you want to go

Right at the get you can go on and
tell that it's something like you've never
heard, word
And the end of the story is likely to
ramble just sounding absurd

You can go the direction that you
wanna take
Don't be afraid if it's all a mistake
It was a drag to be small
Trippin' to find it's a drag to be tall
Right at the drop of a hat you can tell
that it's nothing like you've ever heard
And the end of the story is likely to
ramble just sounding absurd

I don't wanna talk about it
Say you love me but
But I doubt it
I don't wanna talk about it
Say you love me but
But I doubt it

I don't wanna talk about it
Say you love me
But I doubt it
I don't wanna talk about it
Say you love me
But I doubt it

Keeping afloat for a minute and
then get the feeling I'm starting to sink
Trying to write a full sentence to
finish this thought but I've run outta ink
Not sure that I'll ever finish this rhyme
Maybe I'll figure it out over time
How do the words rearrange
Trippin' cuz writing this line's
feeling strange
Right at the drop of a hat you can
tell that it's nothing like you ever heard

Still you keep talkin' about love like
you're fighting for air or it's gone outta style

Crazy to know that you've done thinking
maybe I'll stay cuz that shit ain't worthwhile
Not sure that's something that I wanna change
Tryin' to figure out how to exchange
Thinking about how to arrange
Trippin' cuz all that I'm feeling is strange

Knowing the end of the story is going
to ramble all sounding absurd
Knowing you're thinking it really is
crazy to think
Feeling too lazy to go from the drop
so if you want to go
You can go the direction that you
End of the story is likely to
It was a drag to be small
Trippin' to find it's a drag to be tall

Right at the drop of a hat you can tell that
it's nothing like you've ever heard
But you can bet that the end of the story is
going to ramble all sounding absurd
It's not the morale you're wanting to hear
It's not the answer you're hoping is near
It isn't there on your phone
Trippin' cuz you never leave it alone

WONDERLAND
DICTIONARY

Wonderland Dictionary

SPEAK WONDERLAND LIKE A NATIVE

1. boojum The boojum is "a particularly dangerous variety of 'snark,'" an imaginary creature of Carroll's invention. The word boojum has inspired the naming of everything from a species of tree native to Baja California, Mexico, to a supersonic cruise missile and a geometric pattern sometimes observed on the surface of superfluid helium-3.

Example: But oh, beamish nephew, beware of the day, if your Snark be a Boojum! For then, you will softly and suddenly vanish away, and never be met with again!

2. chortle To chortle means "to exclaim exultingly, with a noisy chuckle."

3. frabjous Frabjous means "great, wonderful, fabulous," and is a blend of either fabulous and joyous, or fair and joyous. "O frabjous day! Callooh! Callay!" cries the narrator of The Jabberwocky upon learning that the Jabberwock has been slain.

4. galumph Galumph means "to move heavily and clumsily," and is a blend of gallop and triumph.

Example: "I struggle to keep up on a particularly cold winter evening as I galumph my way across rough downland in pursuit of a tour guide."

5. jabberwocky The Jabberwock is "a fantastical dreaded monster with flaming eyes", The Anglo-Saxon word 'wocer' or 'wocor' signifies 'offspring' or 'fruit'. Taking 'jabber' in its ordinary acceptance of 'excited and voluble discussion.'" Jabberwocky came to mean "nonsensical speech or writing".

Example: "In theory, the pledge could do most of the same work if we had children say it in Anglo-Saxon or Arapaho, or if we replaced it with the lyrics to 'Zip-a-Dee-Doo-Dah.' They're going to turn the words into jabberwocky anyway."

6. mimsy Mimsy was coined by Lewis Carroll as a blend of miserable and flimsy. By 1880 mimsy also came to mean "prim; careful; affected; feeble, weak, lightweight." Mim is a much older word meaning "primly silent," either imitative of the pursing up of the mouth, or coming from the Scottish Gaelic min, "delicate, meek."

Example: "I mean, their hair looks like it was designed on a Spirograph in the dark, then carelessly flopped on to them from atop a rickety step ladder, while their fans are all exactly the kind of mimsy mugginses who 'Instagram' pictures of wheelie bins to stick on their Tumblr, because, you know, it's properly, like, photography, yeah?"

7. portmanteau A portmanteau word is "a word formed by merging the sounds and meanings of two different words." A portmanteau is "a case used in journeying for containing clothing," and comes from the French porter, "to carry," plus manteau, "cloak."

Example: "Portmanteau words are now a staple of the magazine competition, and amid the waste of failed invention, every so often one meets a need: smog, stagflation, chocoholic. I don't know how we ever did without 'metrosexual'.

8. slithy In 1855, Carroll combined slimy and lithe to form this nonce word. However, slithy as a variation of sleathy, "slovenly, careless," has been around since 1622, says the OED.

Example: "Hearing these slithy and suggestive movements, I declined to remain any longer ignorant of their meaning."

9. snark Snark referring to "an imaginary animal", and in the 1950s, snark was the "name of a type of U.S. cruise missile and in 1980s of a type of sailboat." The word snark also has the meaning of "to snore; to snort,". This gave rise to snarky, "rudely sarcastic or disrespectful; snide," or "irritable or short-tempered; irascible," around 1906, which gives us snark's modern meaning of "snide remarks."

Example: "The Snark was one of that strange man's imaginary animals, but when novelist Heidi Julavitz used the word to describe unpleasantly critical book reviewers in her indifferently researched 2005 McSweeney's magazine article, the word gained, as they say, 'traction.'"

10. vorpal Vorpal meaning "sharp or deadly". In the role-playing game Dungeons and Dragons, the vorpal sword is a sword "capable of decapitation, specifically through magical means."

Example: "Because, really, there's nothing more grandiose and theatrical than the vorpal blade. It's the weapon of dueling gentlemen and swashbuckling adventurers, of knights in armor and the horse lords of Rohan."

DAY 11 DANCING WONDERLAND SONG: WITH WHAT PORPOISE

You know it's kind of a disaster
You've got to move a little faster
You never know it until you take a chance
You move it here just like a boxcar
Not sure that you can move it too far
Just use the kinda moves that can make romance

Day after tomorrow it could
end before you start
Don't forget the
cup and saucer or you
miss your favorite part

And it's one for the money
Two for the show
Three to get ready and
Kind of a disaster move
a little faster
Move it like a boxcar
Try to take it too far

Try to make a move that
will stir up a romance
Day after tomorrow
Yeah the date is getting hazy
Don't forget the cup and saucer
Here's the part where it gets crazy

You can stop and you can mock me
You can turn and point your toes
You can bow before the duchess
Here I'm gonna tell you more
If your shoes are extra shiny
If you find an eskimo
They can tell you about the journey
And why you should never go

Time, time, time, time, time, time
Time, time, time, time, time, time
Time, time, time, time, time, time
Time, time, time, time, time

Hey now, hey now
Hey you're going too fast
Hey now, hey now
Hey you're going too fast
Hey now, hey now
Hey now

You know it's kind of a disaster
You got to move a little faster
You never know it until you take a chance
You move it here just like a boxcar
Not sure that you can move it too far
Just use the kinda moves that can make romance

Got to make romance
Maybe make romance
Hey let's make romance

Now you try

DAY 13: YOU SURVIVED THE TOUR

SONG: ENTIRELY OF CARDBOARD

Yeah no I wouldn't say a lady
Yeah her answer's always maybe
I know what you're thinking
Hey is it all true

Not a chance with all that you've been seeing
It's kinda sad that that's the shit you say that you're believing
I don't know know how to say no different
Maybe if I work it from the middle
Hey is it all true
Maybe this will help explain it
Maybe
It just will take a little
Time to process
All that's swimming 'round your head

The process isn't always pleasing
Okay it sounds a little sleazy
But all those horses and their men
Not sure that you can put it back a
Hey you've fallen all to pieces
Why'd you think that
It was really nothing
Sort it out before too long
I know you find that
You're thinking
Hey if it's all true
Then that means this
Time it will be
Different

If I or she should chance to be
Involved in something not quite fair
We trust you might still disagree
Exactly when I don't know where
Nowhere

The process isn't always pleasing
Okay it feels a little sleazy
But all those horses and their men
Not sure that you can put it back a
'gain you're falling all to pieces
It was really
Nothing sorted out before

YOU MADE IT!

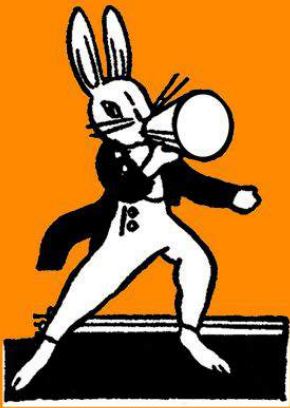

You start again with all new different
Pieces and this time it will be different
Pieces and this time it will be different
Pieces and this time it will be different

No she's really not a lady
Yeah, her answer's always maybe
I know what you're thinking
hey is it all true
Yeah maybe it's true

Not a chance with all that you've been seeing
It's kinda sad if that's the shit you say
that you're believing
I don't know how to say no different
Yeah, maybe it's true
Maybe if I work it from the middle
Maybe this will help explain it
MaybeNo she's really not a lady
Yeah, her answer's always maybe
I know what you're thinking hey is it all true
Yeah maybe it's true

Not a chance with all that you've been seeing
It's kinda sad if that's the shit you say
that you're believing
I don't know how to say no different
Yeah, maybe it's true
Maybe if I work it from the middle
Maybe this will help explain it
