HOW TO USE THIS PACK IN 3 SIMPLE STEPS

Step 1: Pick & Customise a Digital Product

You're not starting with a blank page.

Inside your pack, you'll find ready-to-sell digital products bundled into categories — planners, journals, workbooks, templates, guides, and more.

Each bundle has:

- Pre-made, editable products
- Niche ideas to help you position it
- Full resell rights so you can customise, rebrand, and profit

Open the **main PDF and pick a bundle** that fits your vibe or niche. In minutes, you'll have a product ready to sell.

This is your no-fluff, plug-and-play plan.

Step 2: Set Up Your Storefront

We recommend using **Stan Store** — it's fast, mobile-friendly, and perfect for beginners.

➡ We've included a quick **Stan Store Setup Guide**

You'll learn how to:

- Add your product
- Write your listing
- Connect your payment method
- Publish your store — done in 20 minutes or less

No tech headaches. No design needed.

This is your no-fluff, plug-and-play plan.

Step 3: Post & Promote with Done-For-You Content

No more content paralysis — you'll get:

- 8,000 faceless video content
- 90 days of post ideas
- Canva templates for Stories & IG posts
- A social media strategy template to help you grow smarter

Whether you want to be visible or stay faceless, the assets are here.

FINAL REMINDER

This isn't about being perfect — it's about getting started.

The people making money with digital products? They're not smarter or luckier.

They just **started**.

If you don't finish everything in one hour or even in one weekend — that's okay.

The important thing is... you've started.
And that's more than most people ever do.

You've planted the seed. **Now let's grow it.**
