V. KEY CONCEPT for the Week – “MAKING A COMMITMENT”

(In life coaching, **Key Concepts** are the basic building blocks for personal growth and overall success. Some people use only a few key concepts; some people learn and practice all of them.)

The **Key Concept** I'd like you to practice this week is the concept of **making a commitment**.

Here's the definition we'll use for **commitment**: **“The choice to be completely dedicated – regardless of the circumstances.”**

First, we will review the perceptions of **commitment**, that you have right now. All you have to do is answer each of these questions:

1. In general, how do you feel about the concept of commitment?

2. Give me one or two examples of something that you have been completely committed to, either now, or in the past.

3. Do you feel you are able to be as committed as you need to be, in order to reach all of the goals you want to reach? _____ Why do you feel that way?

4. Is there anything in your life right now that you feel could use more commitment from you?

5. If you wanted to increase your commitment in the area of (example), what would you do?

6. Who is the most committed person you know? _____ How successful is that person?

7. Do you believe that if you increased your level of commitment, overall, you would be any more

successful than you are now? _____ Why?

VI. THIS WEEK: To practice the concept of **commitment** this week, I'd like you to examine your top three priority goals, and rate your level of commitment to reaching each of them.

VII. AFFIRMATION FRAME MP3's

This week I'd like you to listen to: _____

VIII. CLOSING
