V. KEY CONCEPT for the Week – “YOUR ATTITUDE”

(In life coaching, **Key Concepts** are the basic building blocks for personal growth and overall success. Some people use only a few key concepts; some people learn and practice all of them.)

The **Key Concept** I’d like you to practice this week is the concept of **attitude**.

Here’s the definition we’ll use: **Attitude: “The perspective with which you choose to view your life and everything in it.”**

First, we’ll review the perceptions of **attitude**, that you have right now. All you have to do is answer each of these questions:

1. From 1 to 10, how would you rate your **attitude** in general? _____

2. Each day, are you typically a) aware of your **attitude**, or b) unaware of your **attitude**?

3. How important a role do you believe your **attitude** plays in the achievement of your goals?

4. What do you do, if anything, to consistently build your **attitude**?

5. What one thing can you do whenever necessary to give your **attitude** an immediate positive boost?

6. Describe the **attitude** you would most like to have.

VI. THIS WEEK: To practice the concept of **attitude** this week, I'd like you to, each evening, write down on a scale of 1 to 10, how your general attitude was for that day.

VII. AFFIRMATION FRAME MP3's

This week I'd like you to listen to: _____

VIII. CLOSING

On the same scale of 1 - 10, how do you choose to make this week work for you? _____

What will you do to make that happen?

You can do it! I believe in you, _____. I'll talk to you next week.
