## V. KEY CONCEPT for the Week – “TRUTH”

(In life coaching, **Key Concepts** are the basic building blocks for personal growth and overall success. Some people use only a few key concepts; some people learn and practice all of them.)

The **Key Concept** I’d like you to practice this week is the concept of **truth**.

Here’s the definition we’ll use: **truth is reality without opinion**.

First, we review the perceptions of **truth** that you have right now. All you have to do is answer each of these questions:

1. From 1 to 10, how would you rate yourself as a truthful person—that is, how truthful do you think you are in general? \_\_\_\_\_

2. How important a role do you believe **truth** plays in your life overall and the achievement of your goals?

---

3. Name one person you most respect and admire as a truthful person.

---

4. What is it about that person that makes you believe he or she is a person of **truth**?

---

5. Name one area in which you'd like to be more honest with yourself.

---

6. Name one area in which you'd like to be more honest with others.

---

**VI. THIS WEEK:** To practice the concept of **truth** this week, I'd like you to write a short overview description of yourself as you really are, in the most truthful way possible. Then, being just as honest, write down any specific changes you'd like to make about yourself.

### **VII. AFFIRMATION FRAME MP3's**

This week I'd like you to listen to: \_\_\_\_\_

---

### **VIII. CLOSING**

On the same scale of 1 - 10, how do you choose to make this week work for you? \_\_\_\_\_

What will you do to make that happen?

---

---

You can do it! I believe in you, \_\_\_\_\_. I'll talk to you next week.
