V. KEY CONCEPT for the Week – “LEARNING TO RISK”

(In life coaching, **Key Concepts** are the basic building blocks for personal growth and overall success. Some people use only a few key concepts; some people learn and practice all of them.)

The **Key Concept** I’d like you to practice this week is the concept of **learning to risk**.

Here’s the definition we’ll use for **risk**: **“The name on the door that opens on opportunity.”**

First, we will review the perceptions of **risk**, that you have right now. All you have to do is answer each of these questions:

1. What is your overall feeling about the concept of risk?

2. Do you have any negative thoughts or feelings about the word risk? _____ What are they?

3. Give me an example of a major risk you took that worked?

4. Why did it work?

5. Give me an example of a major risk you took that did not work.

6. Why did it not work?

7. In your opinion, what is the difference between “**negative risk**” and “**positive risk?**”

VI. THIS WEEK: To practice the concept of **positive risk** of this week, I'd like you to write out in your Success Journal at least three things you can do, starting now, to prepare yourself for positive risk.

VII. AFFIRMATION FRAME MP3's

This week I'd like you to listen to: _____

VIII. CLOSING

On the same scale of 1 - 10, how do you choose to make this week work for you? _____
What will you do to make that happen?

You can do it! I believe in you, _____. I'll talk to you next week.
