

EVENING MENU

The Ship, as we are affectionately known, is nestled off the main high street close to the harbour and promenade & has everything you would expect from a traditional Welsh pub; stone floors, open fires, old heavy furniture, wooden clad walls, great cask ales & hearty homemade food.

The charm & ambiance of this 200-year-old establishment allows you to relax & contemplate your culinary selection for your evening gastronomical sojourn. When dining with us you will find our evening menu is filled with wholesome, hearty pub classics, which we are becoming synonymous with. We are delighted to introduce several seasonal specials that our local suppliers influence.

Our passion lies in finding excellent quality fresh ingredients & preparing, cooking & presenting them in an unpretentious way. Our menus have a spine of classic Welsh pub dishes.

We have been crafting tried and tested pub classics with outstanding flavours & quality in every bite – so, whether you're out for an evening with family, dinner with that special someone or a catch up with friends, you can't go wrong with some pub classics.
