FDLE will send the results of the background screening to the FL DOH/BON.

As a courtesy, we will also submit to the ACHA Clearinghouse for employment.

The level 2 is valid for 5 years.

STEP 3

Submit the online Florida Certified Nursing Assistant exam application to Prometric.

FLDOH/BON processing time is up to 4 weeks. Once approved, Prometric will schedule your exam and email you an "Admission to Test" letter.

During this time, take advantage of the complimentary open practice in the clinical testing area.

STEP 4

Prepare here, Test here!

For the convenience of our candidates, Prometric schedules Nurse Aide Evaluator(s) to deliver the Florida Nurse Aide exam at CNA Training & Testing Center.
