American Heart Assoc. BLS Provider

TIMELINE: One (1) day same-day certification through the American Heart Association.

OVERVIEW: Our American Heart Association BLS class reflects science and education from the American Heart Association (AHA) Guidelines Update for CPR and Emergency Cardiovascular Care (ECC) and trains participants to promptly recognize several life-threatening emergencies, give high-quality chest compressions, deliver appropriate ventilations, and provide early use of an AED.

Successful completion results in a 2-year certification through the American Heart Association.

Experience is not required. High school diploma or GED is not required.
