HHA Diploma Program

TIMELINE: Up to 3 weeks

Program overview:

The HHA Diploma Program is an add-on option available exclusively for students enrolled in the CNA Route 4 program at CNA Training & Testing Center.

It includes:

- ☒ Hands-on training in essential nursing assistant and home health aide skills
- ☒ Medication Assistance & Medical Error Prevention (scheduled separately)
- ☒ BLS CPR for Healthcare Providers training aligned with the American Heart Association (scheduled separately)

Students must successfully complete assessments; there is no licensing exam for Home Health Aide.

Must be at least 18 years old. Experience is not required. High school diploma or GED is not required unless under 18 years old.
