Policy Issue Guidelines

Replacements

A “replacement” takes place when an applicant terminates an existing Medicare supplement/SELECT policy and replaces it with a new Medicare supplement/SELECT policy. Mutual of Omaha and its affiliates require a fully completed application when applying for a replacement policy (both internal and external replacements).

Plan J Guaranteed Issue Conversion

A policyholder wanting to apply for a nontobacco plan must complete a new application and qualify for coverage.

Guaranteed Issue Right

Policyholders wishing to change their Risk Class rating because of weight loss must maintain that weight loss for at least 12 months. A new application is required and will be underwritten.

Group Health Plan Proof of Termination

If an applicant has had a Medicare supplement/SELECT policy issued by Mutual of Omaha or one of its affiliates within the last 60 days, any new applications will be considered to be a replacement application. If more than 60 days has elapsed since prior coverage was in force, then applications will follow normal underwriting rules.

Medicare Advantage (MA)

All replacements involving a Medicare supplement, Medicare SELECT or Medicare Advantage plan must include a completed Replacement Notice. One copy is to be left with the applicant; one copy should accompany the application. The replacement cannot be applied for on the exact same coverage and exact same company.

Premium Payment and Calculation Guidelines

The replacement Medicare supplement policy cannot be issued in addition to any other existing Medicare supplement, SELECT or Medicare Advantage plan.

Application

Reinstatements

When a Medicare supplement policy has lapsed and it is within 90 days of the last paid to date, coverage may be reinstated, based upon meeting the underwriting requirements. Renewal commission rates will continue based on the policy’s duration.

Health Questions

When a Medicare supplement policy has lapsed and it is more than 90 days beyond the last paid to date, the coverage cannot be reinstated. The client may, however, apply for new coverage. All underwriting requirements must be met before a new policy can be issued.

Mailing Applications to Prospects

Medicare SELECT to Medicare Supplement Conversion Privilege

Policyowners covered under a Medicare SELECT plan with Mutual of Omaha or its affiliates may decide they no longer wish to participate in our hospital network. Coverage may be converted to one of our Medicare supplement plans not containing network restrictions. We will make available any Medicare supplement policy offered in their state that provides equal or lesser benefits. A new application must be completed; however, evidence of insurability will not be required if the Medicare SELECT policy has been in force for at least six months at the time of conversion.

Required Forms

Telephone Interviews

Random telephone interviews with applicants will be conducted on underwritten cases. Please be sure to advise your clients that we may be calling to verify the information on their application. In WI, telephone interviews will be conducted with applicants age 75 and over on underwritten cases.

Mobile Quote App

If there is a Power of Attorney signing the application, a health interview with the applicant will be required. If we are unable to perform an interview with the applicant, we will require two years of current medical records at the applicant’s expense.

Pharmaceutical Information

Mutual of Omaha and its affiliates have implemented a process to support the collection of pharmaceutical information for underwritten Medicare supplement applications. The “Authorization to Disclose Personal Information (HIPAA)” is included in the Agreement and Authorization section of the application. Prescription information noted on the application will be compared to the additional pharmaceutical information received.

Policy Delivery Receipt

Delivery receipts are required on all policies issued in LA, SD and WV.

Two copies of the delivery receipt will be included in the policy package. One copy is to be left with the client. The second copy must be returned to the Mutual of Omaha in the postage paid envelope included in the policy package.

In KY and NE, the policy is allowed to be mailed directly to the insured. If this option is elected, the delivery receipt does not need to be included in the policy package. If the policy is not mailed directly to the insured a delivery receipt will need to be included in the policy package.

The same monthly premium is charged to everyone who has the Medicare policy, regardless of age. Premiums are the same no matter how old the applicant is. Premiums may go up because of inflation and other factors, but not based on age.

Issue age rated

The premium is based on the age the applicant is when the Medicare policy is bought. Premiums are lower for applicants who buy at a younger age, and won't change as they get older. Premiums may go up because of inflation and other factors, but not because of applicant's age.

Attained age rated

The premium is based on the applicant's current age so the premium goes up as the applicant gets older. Premiums are low for younger buyers, but go up as they get older. In addition to change in age, premiums may also go up because of inflation and other factors.

Note: If a premium is paid by a business account, refer to the "Business Checks" section of this guide to determine if acceptable, and if so, which rate type will be applied.

Completing the Premium on the Method of Payment Form

Premiums are calculated based upon the applicant's exact age at the time of application, not the age as of the requested coverage effective date.

Initial Premium

1. The amount determined from the Calculate Your Premium Form will be the amount you enter on the Initial Premium Amount box.
2. Mark the appropriate mode for the initial payment.

Ongoing Premium Payments

1. Determine how the client wants to be billed going forward (renewal) and select the appropriate mode on the Ongoing Premium Payments section.
2. Monthly billing is not allowed.

Collection of Premium

At least one month's premium must be submitted with the application. If a mode other than monthly is selected, then the full modal premium must be submitted with the application.

1. Money orders, cashier's checks and counter checks are only acceptable if obtained by the applicant. Third party payors cannot obtain a money order or cashier's check on behalf of the applicant.
2. **Note:** The company does not accept post-dated checks or payments from third parties except for approved List-Bill and other situations. Immediate family and domestic partners are acceptable payors. We do not accept checks or payments from foundations as premium for Medicare supplement/SELECT for either individuals or List-Bill situations.

List-Bill Collection of Premium

Use List-Bill for Mutual of Omaha and its affiliates' Medicare supplement plans paid through an employer or a third-party List-Bill administrator. In order to use the List-Bill program, you must establish and maintain a List-Bill account for three or more individuals.

Program participants must be retirees (and/or their spouses) of the employer indicated on the enrollment form, active employees are not eligible. Follow the steps in the List-Bill Administration Guide (M27005) and submit a completed List-Bill Enrollment Form (M27024).

Both documents can be found on Sales Professional Access under "Forms and Materials," product name and "List-Bill Medicare Supplement." For more information, contact a customer service representative at 1-800-877-1050. In Kentucky, employers may not directly contribute to any portion of the premium. Premiums must be paid entirely with policyholder funds.

Business Checks

If premium is paid by a business account, complete the information located on the Payer Information section (Part II) of the Method of Payment Form. Business checks are acceptable if they are submitted for the business owner, the owner's spouse, or retirees of the business. ERISA (unisex) rates apply to retirees of the business.

Premium Receipt

The Premium Receipt must be completed and provided to applicant if premium is collected.

Note: Do not mail a copy of the receipt with the application.

Health Questions

Mailing Applications to Prospects

Required Forms

Mobile Quote App

Please answer all of the following questions

1. If the applicant is applying during a Guaranteed Issue period, be sure to include proof of eligibility.
2. If either applicant A or B answered “YES” to question 7 OR BOTH questions 8 and 9 in Section F, skip to Section I – Agreement and Authorization.

Health Information

1. If the applicant is applying during an Open Enrollment or a Guaranteed Issue period, do not answer the health questions.
2. If applicant is not considered to be in Open Enrollment or a Guaranteed Issue situation, all health questions must be answered.

Note: To be considered eligible for coverage, all health questions must be answered “No.”

For questions on how to answer a particular health question, see the **Health Questions** section of this Guide for clarification.

Medication Information

1. If the applicant is applying during an Open Enrollment or a Guaranteed Issue period, do not answer the medication information section.
2. If applicant is not considered to be in Open Enrollment or a Guaranteed Issue situation, all medication information must be listed as indicated.

Agreement and Authorization

1. Applicant acknowledges receiving the Guide to Health Insurance and Outline of Coverage. You are required to leave these two documents with the client at the time the application is completed.
2. Applicant agrees to the Authorization to Disclose Personal Information.
3. Signatures and dates: required by applicant(s).
4. If someone other than the applicant is signing the application (i.e., Power of Attorney), please include copies of the papers appointing that person as the legal representative.

To be Completed by Producer

The producer(s) must certify that he/she:

1. Provided the applicant with a copy of the replacement notice if applicable.
2. Accurately recorded in the application the information supplied by the applicant.
3. Has interviewed the proposed applicant.

Note: Applications will only be accepted with an answer of “No” if the producer has submitted the sales process for review and received written prior approval.

4. Signed and dated the application.

The licensed agent must be appointed with the underwriting company in the state the application was signed in. For example, if a United of Omaha application is being signed in state A, the producer must be appointed with United of Omaha in state A (even if the applicant lives in state B).

If an application is taken on a Kansas resident, the producer must be appointed in Kansas and in the state where the application is signed.

If an application is signed in New York, it must be for a resident of New York.

Note: Applicant’s signature must match the name of the applicant on the application. In rare cases where the applicant cannot sign his/her name, a mark (“X”) is acceptable. For their own protection, producers are advised against acting as sole witness.

Health Questions

Unless an application is completed during Open Enrollment or a Guaranteed Issue period, all health questions, including the question regarding prescription medications, must be answered. Our general underwriting philosophy is to deny Medicare supplement coverage if any of the health questions are answered “Yes,” including “Not Sure” in California. For a list of uninsurable conditions and the related medications associated with these conditions, please refer to the next pages in this guide.

There may be, however, situations where an applicant has been receiving medical treatment or taking prescription medication for a long-standing and controlled health condition. Those conditions are listed in the health questions.

A condition is considered to be controlled if there have been no changes in treatment or medications for at least two years. If this situation exists and you would like consideration to be given to the application, answer the appropriate question “Yes,” and attach an explanation stating how long the condition has existed and how it is being controlled. Be sure to include the names and dosages of all prescription medications.

People with diabetes (insulin dependent or treated with oral medications) who also have one or more of the complicating conditions that are specified in the health question, are not eligible for coverage. For purposes of this question, hypertension (high blood pressure) is considered a heart condition.

Some additional questions to ask your client to determine if he/she does have a complication include:

1. Does he/she have eye/vision problems?
2. Does he/she have numbness or tingling in the toes or feet?
3. Does he/she have problems with circulation? Pain in the legs?

Consideration for coverage may be given to those persons with well-controlled cases of hypertension and diabetes. A case is considered to be well controlled if the person is taking no more than two oral medications for diabetes and no more than two medications for hypertension. A combination of insulin and one oral medication would be the same as two oral medications if the diabetes were well controlled. In general, to verify stability, there should be no changes in the dosages or medications for at least two years. Individual consideration will be given where deemed appropriate. We consider hypertension to be stable if recent average blood pressure readings are 150/85 or lower.

Mailing Applications to Prospects

Mailing a completed application adds a few steps to the normal sales process. Below is a brief description of the necessary steps. The form (M24769_0208) is available for download on Sales Professional Access in Forms and Materials, provides a complete description of the process.

When calling a prospect who responds to a lead, always attempt to schedule a face-to-face interview. However, if the prospect prefers, you may continue the sales process on the phone. You need to begin by explaining to the prospect the following steps you will take to complete the sale.

You will:

1. Ask the prospect the questions on the application and required forms; mail the completed application and required forms to the prospect for their review and signature.
2. Tell the prospect that they need to carefully review the application and forms for completeness and accuracy and then sign.
3. Have the prospect return the signed application, forms and premium payment to you in a postage paid envelope.
4. Upon return of the application and other forms, verify that all the required forms are completed and signed.
5. Submit the application through the usual channel; and
6. When issued, deliver the policy according to current policy delivery guidelines.

Always remember:

- You must be licensed to sell in the state where the prospect is at the time of solicitation
- The applicant's state of residence controls the application, forms and premium
- The client must return the signed applications, forms and premium payment to you and should not submit them directly to Mutual of Omaha
- Incomplete application submissions will be returned to you, so review thoroughly
- If you solicited the business, you must be the one to sign the corresponding application
- You cannot sign blank applications
- It is not acceptable to mail blank applications, brochures and outlines as prospecting materials

If you have questions, please call Sales Support at (800) 693-6083 for Brokerage and (877) 617-5589 for Agency.
