

# MEMBERSHIP GUIDE

**ARTIST MEMBERSHIP** is for those wanting to join the Soundhouse community and have access to the studio, certification, and other membership benefits without committing to a band. Membership is just \$149 per month and includes the following benefits:

## Specialty Workshops & Certification

Members may attend any or all our 90-minute workshops offered monthly with top-tier experts. Soundhouse Certification is available for those achieving a working understanding of the areas and passing a written exam. There are no additional fees for the workshops or certification. Workshops and certification are offered in:

- Studio Recording & Production
- Songwriting
- Soloing
- Rehearsal Techniques
- Videography

## Use of Rehearsal Studios

Members may reserve Soundhouse rehearsal studios for up to 2 hours per week for Soundhouse band rehearsals, sectionals, personal projects, or individual practice (based on availability). The rehearsal studios are each equipped with high-end pro audio equipment and backline. Non-members may join you by purchasing a day pass for \$15.

## Use of Recording Studio

Members with the Soundhouse Studio Recording Certification may use the studio for recording for up to 4 hours at a time (based on availability) at no additional charge. Those without the certification can record at Soundhouse by hiring a Soundhouse audio engineer or another member with the proper certification.

## Admission to Soundhouse Onsite Performances & Events

Members receive free admission to most Soundhouse concerts and events held onsite including jam sessions, open mic nights, and our "Houseguest Series" with Grammy-caliber celebrity Visiting Artists.

## Exclusive Member Discounts

Members receive significant discounts from our partners including **Fender** Guitars & Amplifiers, **Eikon** Microphones, **Hercules** Instrument Stands, **DieHard** Instrument Cases, **Yamaha** Wind Instruments, **Rockwell** Sunglasses & Watches, **Aguilar** Bass Amplifiers, **Dexibell** Keyboards, **JodyJazz** Mouthpieces, and more to come!

# MEMBERSHIP GUIDE

**PRO MEMBERSHIP** is offered based on an initial placement audition. Membership is just \$299 per month and includes all the benefits of Artist Membership plus the following additional benefits:

## Pro Band Experience

Based on a placement audition and interests, Pro Members are assigned to a band with other committed artists working on a specific style. The Pro Band Experience includes:

- Weekly 2-hour rehearsal session
- Music and performance coaching from background-checked, Soundhouse Certified Producers who are also working professional musicians
- Sheet music (provided digitally)
- Curated audio reference playlist on Spotify and Apple Music
- Monthly "On Stage Session" during scheduled rehearsal time
- Feature performances at a minimum every 3 months
- Professional studio recording of band
- Full production music video
- Opportunity to tour and perform regionally or internationally

## Artist Portfolio

Each Pro Member has access to an individual digital portfolio that includes:

- Professional headshot
- Music resume with a record of all Soundhouse tours, band participation, leadership positions certifications, awards, and work with guest artists
- All audio and video recordings from Soundhouse bands
- Additional professional photos of the member taken at events, tours, and performances

## Strategy Session

Each Pro Member can schedule a 30-minute strategy session annually with Soundhouse founder, Caleb Chapman, to discuss plans for career, higher education, scholarships, and professional training.

## Apprenticeship Opportunities

Those who have completed any of the Soundhouse Certifications are eligible for additional professional opportunities to develop skills and build their resumes as Associate Producers or Production Assistants. These positions are open to high school juniors and seniors.

# MEMBERSHIP GUIDE

**PREMIER MEMBERSHIP** is offered by invitation only based on an audition each season. Membership is just \$349 per month and includes all the benefits of the Pro Membership plus the following additional benefits:

## Premier Band Experience

Premier Members work at a level at or above most professional working bands. As such, the Premier Band Experience includes the following additional benefits:

- Feature performances at a minimum every 1-2 months in professional venues with highly produced sound and lighting
- Weekly 1-hour sectional
- Multiple professional studio recordings of band
- Multiple full production music videos
- Band recordings made available on all major streaming services including Spotify and Apple Music
- Videos featured on "Soundhouse Sessions" YouTube channel

## Additional Strategy Sessions

Each Premier Member can schedule up to three 30-minute strategy sessions annually with Soundhouse founder, Caleb Chapman, to discuss plans for career, higher education, scholarships, and professional training.

## Apprenticeship Opportunities

Premier Members are given priority placement for Associate Producer and Production Assistant leadership opportunities.
