Legenda Legend

dimensioni e tipologia di apertura tavolo
dimensions and type of opening table

Tavoli Tables

Non semplici tavoli ma luoghi d'incontro.
L'intramontabile stile classico rivive
nelle linee eleganti ed iconiche senza rinunciare
a versatilità ed innovazione.
Linee rigorose pure per il contemporaneo,
celano ricerca, tecnologica e funzionale.

Not just tables, but rather meeting places.
Timeless classic style is given a breath of fresh
air in the elegant and iconic silhouettes,
without forgoing versatility and innovation.
Striking yet simple pure silhouettes
for contemporary models which conceal
in-depth research, both technological
and functional.

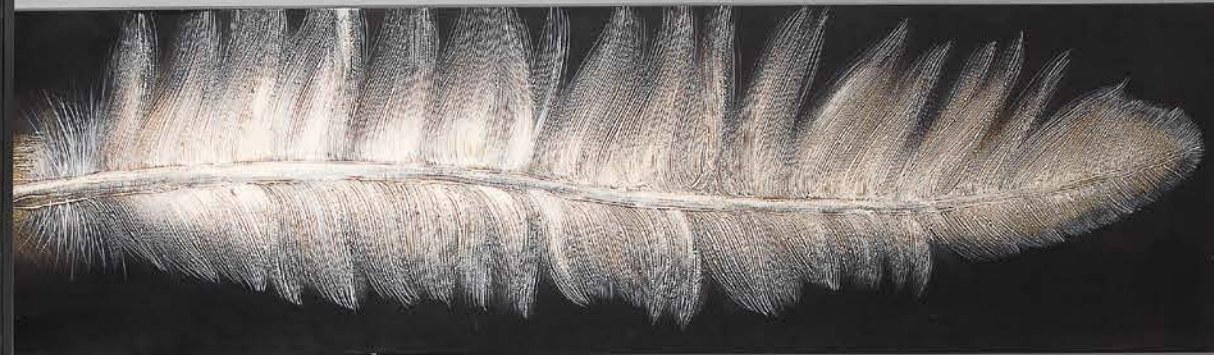

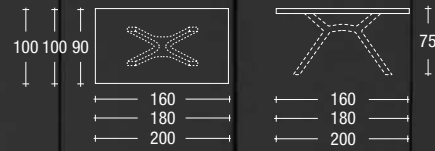

Steel

DESIGN
DAVIDE ANZALONE

Steel è un tavolo con basamento in metallo o metallo / legno con piani disponibili in diversi materiali e finiture.

La struttura, dal tocco vintage è in linea con le tendenze attuali.

I quattro bracci che sorreggono il piano s'intersecano al centro del basamento per poi ridiversi nelle gambe oblique.

Osaka

Osaka può variare da un legno chiaro per un'atmosfera scandinava, al vetro in varie finiture e colori. E' un tavolo allungabile perfetto per tutti i tipi di arredo. Il basamento ha una struttura in metallo a quattro bracci che si intersecano a doppia X creando uno stile innovativo, affidabile e robusto.

Pechino

DESIGN
DAVIDE ANZALONE

Pechino riunisce famiglia ed amici.
Un tavolo allungabile dal meccanismo
ridotto all'essenziale che racchiude
bellezza e funzionalità.

La struttura dalla spiccata personalità
è costituita da due basamenti realizzati
in metallo piegato, disponibili in diverse
finiture e colorazioni,
da abbinare al living circostante.

Axel

DESIGN
DAVIDE ANZALONE

Axel si contraddistingue per il suo basamento che, realizzato in metallo, crea un intreccio di linee tali da esaltare la leggerezza visiva pur mantenendo un'eccellente stabilità. Dal living alla cucina questo tavolo rappresenta il cuore della casa.

CONSOLLE

Triade

Triade ha un basamento realizzato in vetro stratificato dalle linee semplici, ma frutto di un disegno articolato. Un arredo di design contemporaneo dove viene risaltata l'importanza della luce unita al calore che solo il legno sa dare.

Super

DESIGN
DAVIDE ANZALONE

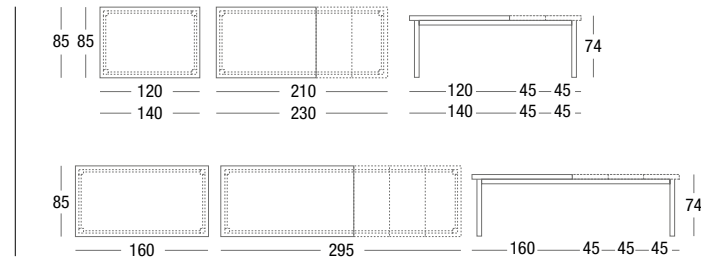

Super è un tavolo allungabile dotato di un meccanismo brevettato, ottimizzato per essere leggero, fluido nell'apertura/chiusura e veloce nel fissaggio delle allunghe. Si distingue per una forma lineare, contemporanea e la sua estrema versatilità lo rende adattabile a qualsiasi momento "speciale".

Argo

Argo, con le sue dimensioni ridotte (120 Ø), consente di sfruttare al meglio gli spazi più angusti della casa rendendoli facilmente abitabili e fruibili. Altra caratteristica peculiare è data dalla forma a “nuvola” che acquista nell’apertura grazie a due mezze lune che si combinano in modo armonico, così da poter anche ospitare.

Tokyo

DESIGN
DAVIDE ANZALONE

Tokyo è un tavolo fisso o allungabile dove il disegno del basamento, ricavato da lastre di metallo piegato, si ispira alle superfici sfaccettate degli origami, l'antica arte giapponese di piegare la carta. Il risultato che ne deriva è quello di un tavolo scultoreo capace di diventare protagonista dell'ambiente domestico contemporaneo.
