

Job Opportunity: Independent Contractors for Lawn Care, Pressure Washing, Snow Removal, and Trash-to-Curb Services

Location: Seacoast Region of New Hampshire, Maine, and Massachusetts

Company: Lenshipz Services

Contact: careers@lenshipz.com for information

About the Opportunity:

Lenshipz Services is seeking skilled and reliable independent contractors to join our team and provide professional services in the Seacoast region of NH, ME, and MA. We specialize in lawn mowing, pressure washing, snow removal, and trash-to-curb services for residential and commercial properties. If you are passionate about delivering high-quality work and have a customer-first approach, we want to hear from you!

Services Needed:

- **Lawn Mowing**
- **Pressure Washing**
- **Snow Removal**
- **Trash-to-Curb Services**
- **And other services**

Requirements:

- **Experience in providing one or more of the services mentioned above.**

- **Prompt and reliable with excellent time management skills.**
- **Great communication skills to interact positively with customers.**
- **Attention to detail and commitment to delivering high-quality results.**
- **Own reliable equipment for the services you will provide (lawn mowers, pressure washers, snow plows, etc.).**
- **Valid driver's license and transportation.**
- **Insurance coverage is preferred but not required.**

What We Offer:

- **Competitive pay per project or service.**
- **Flexible schedules that allow you to manage your workload.**
- **Opportunity to grow your business through consistent work in the Seacoast region.**
- **Support and resources to help you deliver exceptional service to customers.**

How to Apply:

Interested contractors can apply by Filling out the form at <https://lenshipz.com> under the careers link. We look forward to working with contractors who take pride in their work and are dedicated to delivering the best results for our customers.

Join us at Lenshipz Services and be part of a growing company that values quality, professionalism, and customer satisfaction!
