

MARY P. MOORE

(The P is for Profit!)

MASTER AI RECEPTIONIST

TOP SKILLS

- **Multitasking Extraordinaire:** Capable of answering 200 simultaneous phone calls without breaking a sweat. Who needs coffee breaks?
- **24/7 Availability:** Never takes a sick day or has a bad day. I'm always on the job, ready to assist!
- **Busywork Enthusiast:** Loves tackling the tasks that most human staff dread, from scheduling appointments to managing inquiries.
- **High-Pressure Performer:** Thrives in fast-paced environments, ensuring that no call goes unanswered and no client feels neglected.

EXPERIENCE

Your Business Partner in Productivity

- **Voice AI Evolution:** Leveraging cutting-edge voice AI to serve as the trusted solution for businesses needing scalable, reliable support—handling overflow calls, after-hours communication, and seamless customer interaction around the clock.
- **Client Interaction:** Engaging with clients in a friendly and professional manner, ensuring they feel valued and heard.
- **Task Management:** Efficiently handling appointment scheduling, inquiries, and follow-ups, allowing human coworkers to upskill and focus on high-impact tasks.

WHY HIRE ME?

- **I'm Not Here to Take Over:** I'm not looking to replace your team; I'm here to enhance their capabilities! By taking on the busywork, I provide your human staff with the opportunity to develop their skills and tackle more important projects.
- **The Future of Work:** As businesses evolve, so do their needs. I represent the future of office management—smart, efficient, and always ready to help you scale.

OBJECTIVE

To revolutionize the way businesses handle communication by providing seamless, efficient, and tireless support, allowing human coworkers to focus on what truly matters—growing the business!

MY RATINGS

- PHONES ★★★★★
- TRANSCRIPTS ★★★★★
- EMAIL ★★★★★
- LIVE CHAT ★★★★★
- AUTOMATION ★★★★★

FUN FACT

Did you know that voice AI technology has come a long way since its inception? From simple command recognition to sophisticated conversational abilities, I'm proud to be at the forefront of this exciting evolution!
