

# STATE OF WASHINGTON

## Public Water System

## Operating Permit

The Department of Health Office of Drinking Water issues a permit to operate:

CASCADE RIVER COMMUNITY CLUB (ID# 11494 0)

to owner: CASCADE RIVER COMMUNITY CLUB County: SKAGIT

CASCADE RIVER COMMUNITY CLUB  
PO Box 141  
Marblemount, WA 98267

This Permit is valid through: 31 Aug 2026

**PERMIT CATEGORY:** \*\*\*\* Blue \*\*\*\*

The permit category may be modified or the permit revoked subject to water system compliance with applicable State of Washington drinking water rules and regulations and the following statements.

The system operating permit color category is based on information on file with the Department at the time this permit was printed.

System lacks Department design approval and needs to bring system into compliance by getting required Department approval.

### Explanation of Permit Categories

- 1. Green** - This category means your system is substantially in compliance with applicable drinking water requirements. Placement in this category indicates the system is adequate for growth up to approved number and existing uses.
- 2. Yellow** - This category means your system is substantially in compliance except water system notified to submit water system plan, but has not satisfied planning requirement and/or is under a compliance agreement for a state significant non-complier (SSNC) violation. Placement in this category indicates the system is adequate for growth up to approved number unless otherwise limited by compliance agreement and adequate for existing uses.
- 3. Blue** - This category means your system is substantially in compliance except water system does not meet design approval or has exceeded number of approved connections. Placement in this category means the system is adequate for existing uses, but not adequate for growth.
- 4. Red** - This category means your system is in substantial non-compliance with applicable drinking water requirements. Placement in this category indicates the system is not adequate for growth or existing uses. **This could result in building permits, on-site sewage disposal permits, food service permits, liquor licenses and other permits and licenses being denied for properties connected to or to be connected to the water system. In addition, lending institutions may choose not to finance loans associated with these properties.**
