Jeremiah is a phenomenal notary! My situation was a little more complex than the norm. He was very thoughtful, careful, and responsive, going the extra-mile because that's how he does business. I appreciate his insights, acumen, and concern for his customers.

Lorraine Lyman MS MA CPBS CDBS

Best price I could find. Loved being able to schedule online. The notary was dressed impeccably, which set a very cordial and professional tone. Can't recommend enough.
