To Whom It May Concern,

I am pleased to provide this letter of support for Stephen Cooper in recognition of his valuable contributions to the Niagara Fundraisers Network. Stephen recently presented to our network on Tip Tap, sharing his knowledge, experience, and insights in a way that was both informative and engaging.

His presentation was well-structured, fact-based, and sparked meaningful discussion among attendees. Stephen's ability to present clear, practical information allowed participants to leave the session feeling confident in their ability to assess Tip Tap as a potential tool for their own fundraising initiatives. His expertise and willingness to openly share his experience were truly appreciated by all in attendance.

Beyond his role as a presenter, Stephen is an active and dedicated member of the Niagara Fundraisers Network. His commitment to the professional development of his peers is evident in the way he engages with fellow fundraisers, always ready to offer support and share best practices. His generosity in sharing his knowledge directly contributes to the growth and success of fundraising efforts throughout our community.

On behalf of the Niagara Fundraisers Network, I extend my sincere gratitude to Stephen Cooper for his time, effort, and dedication. His eagerness to support and develop his fellow fundraisers strengthens our collective ability to make a positive impact in Niagara.

Respectfully,

Amanda Braet
Director of Development & Stewardship for Birchway Niagara
Co/Chair for Niagara Fundraisers Network
