- ii. Father/Daughter – people liked it off-site, but we should keep it as a PTU event for budget and inclusivity reasons. Do we want to keep it as a dance, or do another event so that all grades can enjoy it?
 1. Will explore dates

VII. New Business

- a. **Maple Festival Float** – This year's theme is Cherish Maple Memories, commit to Saturday and Sunday. We will need someone to head up the event, all the stuff from past years is out in the barn.

VIII. Open Discussion

- a. Dress down day for VQ letters? First Monday back from Spring Break; PTU will make tickets for dress down to get out before spring break.
- b. Feedback from VQ – plated desserts, cleaning up too early, not enough socializing time; Addressed with venue but they did not offer a refund; Definitely want to have it the same date every year for consistency. Assign classroom basket themes on the first day of school to give more time to collect items.

IX. Adjournment – 7:35
