## OUR MISSION

DL Models Ltd believes in working with diverse aspiring models to develop their knowledge, resilience and skills so that they can enter the professional fashion industry.

We believe that developing a persons mind, body and sprit is key to their success

Our MISSION is to nurture a positive mindset, teach confidence, foster an environment for body acceptance, and engage them in community style events where they feel they belong

Our VISION is to deliver the dream of being a successful fashion model no matter what a persons age, size, height, gender or disability, and increase representation within fashion
