The Self-Closing Client Funnel™ Install Program

Vision

Build a Business That Closes $2K+ Clients While You Sleep

Hey there, Chris Parker here, good to see you.

I'm helping 10 driven coaches build a business that generates $2K+ clients without soul-draining sales calls.

Using a powerful mix of **AI with authenticity**, we install a complete Self-Closing Funnel that lets clients sell themselves, giving you time, freedom, and consistent high-ticket income.

What You Won't Be Doing

No More Hustle, Pressure, or Wasted Time

This program helps you grow without:

○ **Endless discovery calls**

No more dealing with no-shows and tire-kickers

○ **Manual lead chasing**

Stop pursuing leads who "might convert someday"

○ **High-pressure tactics**

Eliminate sales approaches that feel misaligned

○ **Time zone scheduling**

No more calls across time zones that go nowhere

○ **24/7 hustle**

End the constant grind just to maintain income

We're doing things differently.

The 3 Core Systems

The Self-Closing Client Funnel™ Model

Over 12 months, we'll build and optimize these 3 systems:

1

The Micro-Commitment Client Magnet™ ($27)

Turns cold leads into paying customers using a strategic low-ticket offer that pre-sells your high-ticket work.

2

The High-Ticket Gateway™ ($297)

Replaces your entire sales process and allows clients to upgrade themselves into premium offers without discovery calls.

3

The Messenger Sales Machine™ ($2K+)

A self-conversion system that turns your entry-level buyers into high-ticket clients through simple, authentic DMs.

Love It or Leave It

You're Never Locked In

This isn't a hostage program. It's a partnership.

You can leave at any time. But if you do, you won't be eligible to rejoin for one year.

That's how I protect the container and support those who commit fully.
