## *A note from the Owner:*

*Adam Cozort*

“

Hello, my name is Adam Cozort, Owner of Cozort Bookkeeping Services, LLC. Thank you for taking the time to learn more about us.

My life has been filled with meaningful endeavors, such as being a teacher, a high school sports official, and my favorite, being a husband and a father.

Each of these has required focus, attention to detail, integrity, and the pursuit of excellence.

In my work as a bookkeeping professional, I look forward to putting those same characteristics to work for you.

”

**MISSION  
~~IMPOSSIBLE~~**

For Cozort Bookkeeping Services, our ultimate goal is to help you succeed.

An important factor in your success is knowing with confidence where you stand financially and operationally. Our purpose is to utilize the tools at our disposal to help you gain and maintain confidence in those areas.

We assist your business in reaching your goals and potential through efficient bookkeeping, regular reporting, and timely communication.

When you have what you need to succeed, we have accomplished our mission.

# *Clean Books = Clear Minds!*

**Our Services Will Get Your Books Where They Need To Be So You Can Focus On Your Business!**

## **Clean-up/Catch-up**

**We make sure your books are up to date, clean, and accurate.** This allows you to see an accurate picture of your business's progress to date.

## **General Bookkeeping**

**Once all the numbers are up to date and accurate, we can get to work maintaining clean books.** You don't have to wait for tax time anymore to see how much profit your business has.

## **Payroll Services**

**We take the stress out of payday!** From accurate wage calculations to timely direct deposits and payroll tax filings, we handle it all—so you can focus on running your business, not running numbers.

## **Financial Reporting**

**What good are clean books if you can't use the numbers to make wise business decisions?** That's where consistent reporting comes in. We walk through your numbers with you and help you track your progress toward your goals!

*Start here* →

## **Consultation**

**Our Complimentary Consultations are designated time we set aside to uncover what your real needs and goals are and then figure out a plan of action to help you reach them.**
