**Tri-Region Forum 2025 will be held in
Atlanta, GA, May 7-9, 2025**

**National Conference 2025 – August 20-23
Boston, MA**

President's Message

Dear NAWIC Fort Worth Members,

Dear NAWIC Fort Worth Members,

March has been an incredible month for our chapter! Women in Construction (WIC) Week was a huge success, and I want to thank each of you who participated in our events. From the self defense class to the joint mixer with NAWIC Dallas, and happy hour, it was inspiring to see our members come together to celebrate and support women in our industry.

A special thank you to everyone who helped with our Girls Inc. event—your time and effort made a lasting impact on the young women we mentored. Events like these remind us why NAWIC's mission is so important, and I appreciate each of you for making it possible.

Upcoming Events

- Annual NAWIC Golf Tournament – May 5th

Our biggest fundraiser of the year is just around the corner! The NAWIC Fort Worth Golf Tournament helps fund scholarships and programming to support women in construction. We need your help to make it a success—whether through sponsorships, volunteering, or donating items.

Liquor Donations Needed: We are collecting liquor donations for our tournament raffle. If you'd like to contribute, please bring a bottle to our next meeting or reach out to a board member to coordinate drop-off.

Thank you all for your continued support and dedication to our chapter. Your involvement makes a difference, and I'm grateful to be part of such an incredible group of women.

For those of you that need a little more time to come up with good answers, March's introduction question will be: if you had to describe your job using only a movie title, what would it be and why?

Looking forward to seeing you at our next event!

Welcome New
Members

Welcome New Members!

Kori Jackson – Baker Drywall Fort Worth, Ltd.

NAWIC Fort Worth Chapter 1 Foundation

A 501(c)(3) Organization

All donations are tax deductible

The NAWIC Fort Worth Chapter 1 Foundation was established in 2016 to provide financial support to organizations, events, and individuals pursuant to the promotion, education, and career development of women in the construction industry and to provide a means for NAWIC Fort Worth Chapter #1 to support the community involvement of its members.

The foundation provides scholarships for students in construction related degree programs and reimbursements for trade schools and NEF Certifications. Non-NEF courses and certifications are subject to pre-approval.

Since 2017, the foundation has awarded \$77,200 in scholarships and certification reimbursements.

Scholarship Information

NAWIC Education Foundation

Contact fwc1foundation@gmail.com for more information about scholarships or to make a donation.

WIC Week

Safety

Construction Industry and Safety

With the weather warming up, critters will be starting to come out more.

Rodents, Snakes and Insects

Insects, Spiders and Ticks

- To protect yourself from biting and stinging insects, wear long pants, socks, and long-sleeved shirts.
- Use insect repellents that contain DEET or Picaridin.
- Treat bites and stings with over-the-counter products that relieve pain and prevent infection.
- Avoid fire ants; their bites are painful and cause blisters.
- Severe reactions to fire ant bites (chest pain, nausea, sweating, loss of breath, serious swelling or slurred speech) require immediate medical treatment.

Rodents and Wild or Stray Animals

- Dead and live animals can spread diseases such as Rat Bite Fever and Rabies.
- Avoid contact with wild or stray animals.
- Avoid contact with rats or rat-contaminated buildings. If you can't avoid contact, wear protective gloves and wash your hands regularly.
- Get rid of dead animals as soon as possible.
- If bitten/scratched, get medical attention immediately.

Snakes

- Watch where you place your hands and feet when removing debris. If possible, don't place your fingers under debris you are moving. Wear heavy gloves.
- If you see a snake, step back and allow it to proceed.
- Wear boots at least 10 inches high.
- Watch for snakes sunning on fallen trees, limbs or other debris.
- A snake's striking distance is about 1/2 the total length of the snake.
- If bitten, note the color and shape of the snake's head to help with treatment.
- Keep bite victims still and calm to slow the spread of venom in case the snake is poisonous. Seek medical attention as soon as possible.
- Do not cut the wound or attempt to suck out the venom. Apply first aid: lay the person down so that the bite is below the level of the heart, and cover the bite with a clean, dry dressing.

2025 Annual Golf Tournament

41st Annual Golf Tournament
