### *President's Message*

Hello, ladies!

As we move into spring, I'm filled with gratitude and excitement for all the momentum we're building together. This season brings opportunities to grow, connect, and lead—both within our chapter and across the industry.

In this month, you'll hear from our current board members as they reflect on the year and share what's ahead. We'll also introduce the slate of amazing women running for leadership positions for next year. Elections will be held in May, and we need your voice and your vote—so please make plans to join us and help shape the future of our chapter.

April brings us an incredible speaker you won't want to miss, and May is also when we gather with our regional sisters at the Tri-Region Forum in Atlanta. Then, in August, we'll head to Boston for the National Conference—an unforgettable opportunity to be inspired, learn, and connect on a national level.

As always, thank you for being a part of this strong and supportive community. Each of you is helping to build a legacy—one that lifts women up and leads the way in construction.

Thank you,  
Jessica Steel  
President, NAWIC Fort Worth Chapter #1

Icebreaker question for April's meeting - "Spring is all about growth—what's one personal or professional goal you're working on this season?"

The Fort Worth Chapter #1's 41st annual golf tournament is coming up on May 5<sup>th</sup>, 2025 at the Bear Creek Golf Course. This is our Ways and Means event of the year which helps us not only promote NAWIC, but also to raise funds for our chapter. These funds help us put on events throughout the year such as Block Kids, WIC Week, Industry Appreciation, and our PD&E speakers as well as other events by other committees.

The tournament will also provide a donation to the NAWIC Fort Worth Foundation. The Foundation has given out over \$68,000 to ladies going to school and getting a degree or certificate in construction. The Foundation also has a reimbursement program for its members to take continuing education classes through the NEF programs. For the past 5 years we have been able to donate \$10,000 to its cause.

We are so excited this year as we are doing 2 courses for the first time and we have met our goal of 200+ golfers we look forward to an exciting and beautiful day of golfing, networking and some good ole fun. We will have a silent and live auction by Chuck Darling, as well as raffles for exciting items.

We are live auctioning off the liquor cart this year!

We need donations for the cart, please bring your bottle to the April Business Meeting or reach out to us on getting your donations. Don't have time to shop, want to just do a cash donation? Send to Jamie Greenway via Venmo, CashApp, or PayPal.

## Call to members, we need volunteers!

We encourage all members, if possible, to come out for the day and help on course or in the pavilion. You can volunteer for just the morning, or afternoon, or all day. Volunteers will be helping to set up, registration check-in, sell raffle tickets, drive carts to check on golfers and other will be working on holes to watch for some of the awards. With the two courses we need all the help our members can provide, this year.

Please use the link provided below to sign up, if you have signed up at one of the meeting, please check the sheet and update available.
