

Rosebank
Day Nursery

Welcome!

...and thank you for enquiring about our nursery.

A very warm welcome to Rosebank Day Nursery — we are delighted to begin this journey with you and your child.

At Rosebank, we believe early childhood is a time of wonder, discovery, and deep potential. Our nursery is more than a space for care — it's a nurturing environment where each child's individuality is celebrated, their voice is valued, and their curiosity is given room to flourish.

Rooted in care and built for curiosity, our approach blends thoughtful guidance with rich, meaningful experiences that invite children to explore, create, and connect — both with the world around them and within themselves.

We embrace a calm, enriched setting that encourages exploration, collaboration, and joy — where children feel safe to take risks, ask questions, and grow in their own time. Through play, time in nature, and strong emotional foundations, we support children to become confident, compassionate learners.

We also believe that the strongest early years journey happens in partnership. Your insights, hopes, and family rhythms are deeply respected here.

We look forward to getting to know you, sharing in your child's milestones, and working together to support their unique path.

Thank you for entrusting us with this precious stage of your child's life. We can't wait to begin.

With warm wishes,

Julie

Nursery Manager at Rosebank
