

Home Care
Empowerment
CONFERENCE

2026
Legacy Edition

Thank you for your interest in partnering with Michele Lee Ellis Consulting, LLC for the 2026 Home Care Empowerment Conference, taking place at the Renaissance Atlanta Waverly Hotel & Convention Center.

This annual conference convenes a highly engaged audience of home care business owners, operators, and industry decision-makers who are actively investing in education, systems, and long-term growth. Our attendees are thoughtful, discerning, and committed to building sustainable home care businesses.

We believe this event presents a meaningful opportunity for select partners whose services align with the needs of today's home care leaders.

A Strategic Opportunity for Aligned Partners

Our sponsorship opportunities are intentionally limited to preserve the quality of engagement for both attendees and partners. Sponsors are positioned to build warm, trust-based connections with a highly targeted audience that values credible solutions and long-term relationships.

Higher-level sponsorships extend visibility beyond the conference itself, allowing partners to remain present within our ecosystem through continued exposure to our community.

This is not a transactional environment.
It is a relationship-driven platform.

Our Commitment to Sponsors

As a sponsor, you are not simply supporting an event—you are partnering with a platform built on education, stewardship, and industry leadership.

We are committed to:

- Creating meaningful exposure opportunities
- Protecting the integrity of our audience experience
- Aligning sponsors with the right conversations
- Delivering a professional, well-executed event

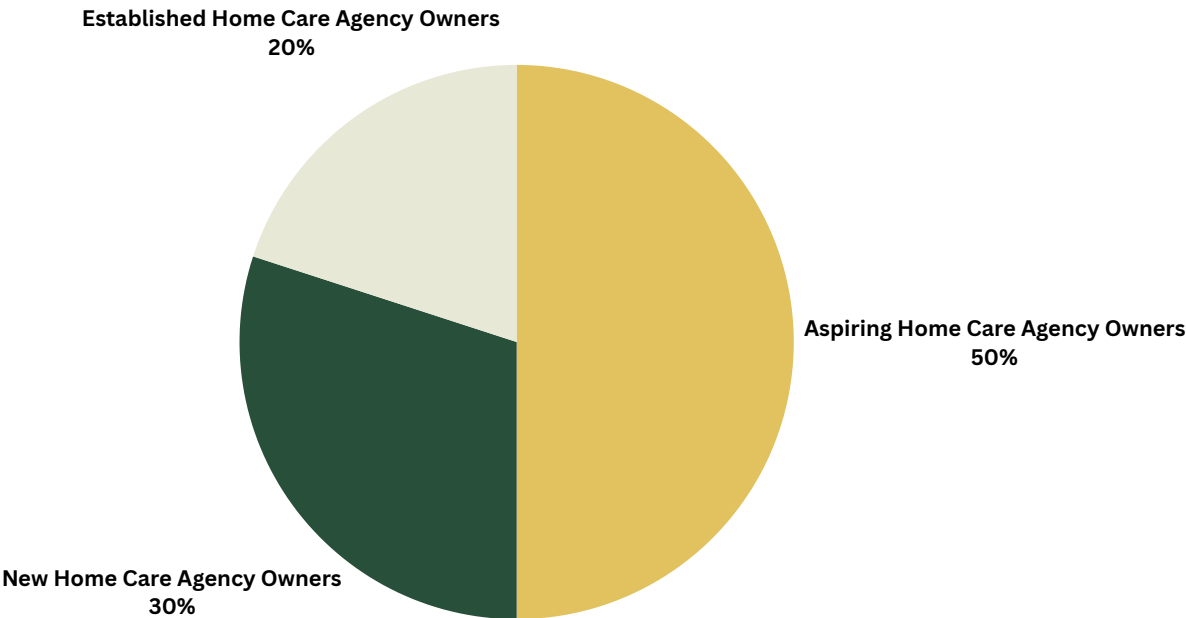

We value partners who share our commitment to responsible growth within the home care industry.

We appreciate your consideration and look forward to the possibility of partnering with you for the 2026 Home Care Empowerment Conference.
